

FAQs for #SAVIR2022 Conference Attendees

How will the SAVIR conference protect the health and safety of in-person attendees?

Vaccination Requirement

- All attendees will be required to show proof that they have been **fully vaccinated**. This means that you have received both doses of either Pfizer or Moderna or one shot of J&J. **There will be NO exceptions to this.**

For verification, you can:

- Show an official CDC vaccination card and a government-issued ID. A copy of photo of the vaccination card is acceptable.
- Show an electronic vaccination card via the CLEAR app. If you choose this method, you only need to set up a Digital Vaccine Card, not the full Health Pass. Get started by downloading the app on iOS or Android.
- We strongly recommend that your COVID vaccinations are also **up-to-date**. This means that you have either 1) received a booster shot, or 2) received 2nd dose of either Pfizer or Moderna within the last 6 months, or 3) received J&J within the last 2 months

Testing

- We recommend that all attendees take either a PCR or antigen test within 72 hours of travel to the conference. If you test positive or do not feel well before travel, please do not attend the conference in person.

Mask Requirement

- Attendees must wear masks at all times.
 - You may remove your mask for short periods if you are actively eating or drinking.
 - Presenters - will be required to wear their mask until they reach the podium and are at least 6 feet away from other participants.

FAQs for #SAVIR2022 Conference Attendees (cont'd)

Social Distancing

- The conference planning team will be working directly with the hotel staff to ensure the safest social distancing measures possible.

Sticker System

- We will be instituting a sticker system to indicate how comfortable each person is with contact.
 - Red means- please keep your distance
 - Yellow- some contact like elbow-bumps ok but not ready for hug or handshakes
 - Green- contact ok

Cleaning/Disinfecting

- Hand sanitizer stations will be set up throughout the hospital and on every speaker podium
- Hotel staff will also be cleaning the meeting rooms each day

Recommended Daily Health Checks

- All attendees will be asked to do a daily health check every morning before they participate in the events of the day
 - If you begin to experience any symptoms during the conference, you will be asked to stay in your room and email SAVIR@meinet.com for guidance.

Daily Symptom Checker

DO YOU HAVE ONE OR MORE OF THESE SYMPTOMS?	DO YOU HAVE TWO OR MORE OF THESE SYMPTOMS?
<ul style="list-style-type: none">• Fever > 100.4 F• New cough or worsened chronic cough• New loss of sense of smell or taste• Upper respiratory symptom (i.e., sore throat, congestion, runny nose)	<ul style="list-style-type: none">• Headache• Body aches• Fatigue• GI symptom (i.e. nausea, vomiting, diarrhea)
<p>If you have symptoms, please stay in your room and email SAVIR@meinet.com for guidance.</p>

FAQs for #SAVIR2022 Conference Attendees (cont'd)

What are the options for attending the conference remotely, if I am unable to travel to Washington, DC?

We understand that some individuals may prefer to attend virtually for a variety of reasons.

- **Registration.** The registration process is the same for both in-person and virtual attendance
- **What is included with virtual attendance?**
 - Main stage presentations such as opening and closing keynotes
 - Ability to watch pre-recorded videos of all oral presentations
- **What is NOT included with virtual attendance?**
 - You will not be able to watch live any events that are not on the main stage
 - There will be limited opportunity for interaction with presenters

What happens if I register for the conference and find I am unable to travel and need to change to virtual attendance?

- Please contact SAVIR@meinet.com to assist with this process
- Don't forget to call your hotel and airline as well

Can I cancel my registration?

- Unfortunately, we are not able to allow cancellations or refunds at this time
