

JOIN SAVIR!

SAVIR members support each other, guide SAVIR, and lead the field.

SAVIR Membership Benefits:

- Stay up to date with the latest in the field with regular e-newsletter & e-blasts.
- Save money on conference registration for the premier annual forum for injury & violence research.
- Access webinars, advocacy training, and resources developed by leading experts in the field.
- Build your network by leading and participating in committees and expert groups.
- Participate in SAVIR's mentoring program (benefiting students/ practitioners new to the field).
- Advocate/influence policy: Add your voice to those of other dedicated injury & violence prevention researchers & practitioners.
- Read the journal BMJ Injury Prevention online at a discounted rate.
- Access a membership directory: Connect with other members; Get in touch for advice and collaboration; Receive support as a junior investigator.
- Students: Receive **additional benefits** through Joint Student Membership with SAVIR and Safe States Alliance.

Become a SAVIR Center!

Join SAVIR with discounted membership rates for your team.

SAVIR member centers **create a community** for academic growth by participating in SAVIR's Council of Centers. Together, member centers across the country **develop collaborations, exchange ideas, and address current issues** of the field. SAVIR helps member centers with their missions to disseminate research and provide researchers with opportunities to connect, especially through its annual conference.

Add your voice to those of other dedicated injury & violence prevention researchers & practitioners!
