

Surveyors Historical Society
RENDEZVOUS 2025

September 17-20, 2025

*At the Historic Lafayette Hotel in
Marietta, Ohio*

THE OHIO
PIONEERS

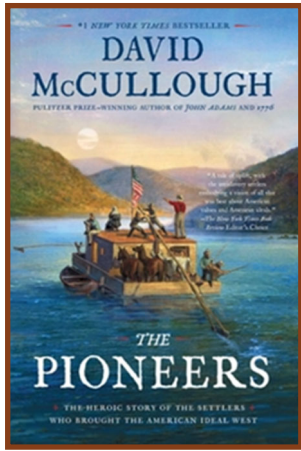

THE HEROIC STORY OF THE SURVEYORS AND
SETTLERS OF THE OHIO COMPANY OF ASSOCIATES

The Ohio Pioneers *and* Rufus Putnam

Following the Revolutionary War, The Ohio Company of Associates, a land company headed by General Rufus Putnam, purchased 1.5 million acres from the federal government. On April 7th, 1788, settlers led by Putnam landed at the confluence of

the Ohio and Muskingum Rivers. There they founded Marietta, first city in the Northwest Territory and the oldest city in Ohio. The company established its' headquarters a mile up the Muskingum, a fortification they called Campus Martius. Putnam acted as Superintendent of Surveys for the Ohio Company and went on to be the first Surveyor General of the Northwest Territory. Rendezvous 2025 honors these Ohio Pioneers.

The Rendezvous Planning Committee recommends attendees read *The Pioneers: The Heroic Story of the Settlers Who Brought the American Ideal West* by David McCullough prior to Rendezvous. Drawn in great part from a rare and all-but-unknown collection of diaries and letters by the key figures, *The Pioneers* is a uniquely American story of people whose ambition and courage led them to remarkable accomplishments.
