

SPEAK TO OTHERS ABOUT HUMAN TRAFFICKING

Presented by SOS WELCA Anti-Human Trafficking Committee

It took a lot of people to build the ancient pyramids. The more workers to do the job, the easier the work. Our small group has found a need to help others learn how to speak to people about the human trafficking scourge on our society. So to try to get more workers out there, we are offering low-cost training on **Thursday, October 19, 2017 from 8:30 am to 4:30 pm** to prepare you to help spread the word about this horrible problem. Our workshop will be presented by **Theresa Flores**, survivor and creator of S.O.A.P. and **Michelle Hannan**, Anti-Human Trafficking Director with The Salvation Army.

If only a few of us feel knowledgeable enough talking to people about the problem, the problem wins.

- Are you interested in presenting this issue to people in your community?
- Would you like free resources to help spread the word?
- Can you help take care of your neighbors in need?

If you are interested in attending this workshop, please complete the registration form and return it to the address on the form along with a check for \$25 payable to “Southern Ohio Synod” and join us. The workshop is **limited in size**, so register early as registration will be accepted on a first-come, first-serve basis. Feel free to duplicate this flyer and pass it on to anyone who might be interested.

This is how we're going to grow our pyramid!
