

HOW TO CREATE A ONE PAGE TEMPORARY CHURCH WEBSITE IN ONE HOUR, FOR \$10

1. Collect the 15 Basic Things from the checklist
2. Go to WordPress.com and setup a free site
3. Put the 15 things on the default template
4. Pay \$9.97 to forward your domain name for a year
5. Use posts for any news items
6. Done

DO NOT:

1. Spend more than 15 minutes on the About Us copy
2. Buy a CSS book so you can tweak the way it looks
3. Form a committee to select the header photo
4. Waste days looking for something cheaper or easier

Now go start working on the permanent site.
