

COVID-19 LITANY

For all who have contracted COVID-19,
We pray for care and healing.

For those who are particularly susceptible,
We pray for safety and protection.

For all who experience fear, depression, or anxiety,
We pray for peace of mind and calm spirits.

For those who do not have health insurance,
We pray that no one will have financial struggles alone.

For our brothers and sisters around the world who passed away due to COVID-19
We pray for their eternal rest.

For public officials and health experts,
We pray for wisdom and guidance.

Let us pray. Compassionate God, during this stressful time, may your church be a place of comfort, hope, and peace. Grant us healing and courage as we move into this next phase of being church together as we find our way to continue to be your disciples. Strengthen our commitment to you and help us discover our new way of serving your church. We ask this through Christ our Lord.
Amen.
