our ministry

As a faith-based provider, we follow the scriptural command to **"love our neighbor."**

2019 highlights

Providing safety and healing
In early January 2019, the new shelter opened after a year of construction.
It replaced an undersized and dated shelter, which only had 51 beds yet an
average daily census of 71. The new shelter provides safety to victims and their
children who are escaping abusers in an environment conducive for healing.

Remodeling Champion Ave. food pantry
Thanks to a generous donation from North Community Lutheran Church, we are
in the process of remodeling our Champion Ave Food Pantry to include space
for pre-packing shelf-stable orders and the warehousing of food. This will
better fit our distribution model, making the client and volunteer experience
more efficient and satisfactory.

Stewarding our resources
We began revamping our in-kind donations process and will focus more on
acquiring items that are expressed needs. Our goals are to provide dignity to
our clients, be good stewards of the resources entrusted to us, and work with
partner organizations so as not to duplicate services.
