

Trinity's Moving Forward task force is looking at ways to begin gathering safely in small groups while COVID-19 is still a risk. With the governor's continuing advice to limit gatherings to no more than 10 people, we are looking for creative ways to begin to come together. Safety remains a top priority, since "God loves, so we love." Please take a few minutes to complete this short survey to assist us as we continue to show God's love by caring for one another. Please mail your completed survey to Trinity or scan/snap and email to office@trinitycincy.org. You may phone the office if you'd like to give your answers to someone over the phone. *Important: Please complete the survey only once per person or household! Deadline: Sunday, June 7.*
