

Lutheran Men in Mission

Synod Assembly Report

June 2020

Remembering our fathers on that special day in June, let us be bold in telling the story of Jesus and his love. At Lutheran men in Mission, we embrace that story and have been using this time of social distancing and virtual gatherings to grow our ministry in areas that were not previously part of our ministry.

- Held our annual men's event at Capital University Men's Basketball Game. The event brought 22 men from seven churches together for lunch, fellowship and the game.
- Organized a weekly E-Mail Bible discussion. Men in the Southern Ohio Synod who have been unable to attend their men's Bible study, due to the shutdown, have been able to sign up for this event.
- The Lutheran men in Mission are holding weekly virtual Bible studies on a national basis
- Completed a men's health study. Some findings: 92% of work-related deaths strike men, 70% of deaths from alcohol are among men and more men than women are obese.
- We stop every Wednesday at noon for prayer and encourage all to join us in these prayers for the safety and health of our communities, our nation and the world.
- We are continuing to offer our Bold Gathering event in a virtual environment.

Your Brother in Christ,

David Drumm, President, Lutheran men in Mission
Southern Ohio Synod
