IV. Please help the Assembly know you better by providing a brief (few sentences) answer to each question below:

**What leadership experience have you gained through service in your congregation, synod or Churchwide expression?**

I have helped to create the current equipment setup that is being used to run church live streams as well as running previously mentioned streams every other week. I am also a part of the youthboard side of church council with a couple of my peers. As far as Synod leadership is concerned, I was a videographer when the synod moved buildings recently.

**What leadership experience have you gained through your employment or service in your community?**

I have helped with various mission trips through the church to help communities such as those in Charleston, West Virginia. I have helped with ministries to help those in need such as food pantries and bed brigade.

**What gifts/perspectives are you eager to share with the whole church as a voting member at the 2022 Churchwide Assembly?**

I am eager to share my experience as someone who is a part of the "behind the seasons" aspect by being a pastor's kid. I also offer a creative communications skill.
