## BISHOP SUZANNE DARCY DILLAHUNT REPORT TO THE ASSEMBLY 2021

Stronger and Better Together...Joining Jesus in the Restoration of the World

### **Abundance**

John 6:1-14

Grace and peace be with you in the name of Jesus Christ our Savior and Lord.

Welcome to Southern Ohio Synod's first virtual Synod Assembly. Last year we planned on meeting but that didn't happen because of the pandemic. In our world, we adapted quickly to be flexible. We learned how to mute and unmute, to use the chat feature and share screens. I know some of us missed seeing each other in person for assembly. But here we are together again in the new and exciting way we do business...Virtually. It is the way we gather in life since March 2020. Assembly will feel different but the important thing is that we will do the business of the synod, worship, and see what's happening in the territory, because ministry didn't stop in 2020. It flourished. Though difficult and weird, 2020 showed us several things: *Opportunities, Pivots, Thinking Differently* and *Abundance* for the sake of the mission and vision of SOS and the Church. The Mission does not change. We proclaim, share and invite others into the Love of God in Jesus Christ. The Vision is morphing as we navigate where God's calling us to go now and in the future.

We welcome Pastor Mike Ward as our Keynote speaker. He has become part of the synod family for the last several years though our work with GSB and Thrive!

We welcome Bishop William Gafkjen, Bishop of the Indiana-Kentucky Synod as the ELCA Representative.

### **Opportunities**

Moving...Physically

Late June, the dumpster was full and the moving trucks loaded up the remaining stuff from the old synod office. We said good-bye to 300 S. Second Street and hello to 9200 Worthington Road. Our new home is fun, modern, and waiting for you to come for a visit. It's smaller, brighter and gives us opportunities to use the space for videos and recordings and the day to day running of a synod office.

A New Call Process and Transitions Manual

While the pandemic has presented challenges, this has not prevented congregations from working with the synod to call a new pastor. Since March of 2020, nine congregations in the Southern Ohio Synod have called new pastors, and one deacon, sometimes having to do so with great creativity. Some have had "parking lot" congregational meetings using FM transmitters, others did so with members calling a conference call number. Still other congregations held outdoor, socially-distanced meetings, and others spaced their membership out within the church building with video feed. But the fact is, the

work of the Spirit continued, and God provided pastors for God's church. All of the call votes that were conducted were successful.

But this continued activity in the area of pastoral mobility has made clear to us two important things about the status of the Southern Ohio Synod. First, our overall vacancy rate, especially for full-time pastors, is currently very low. Of our 183 congregations, as of the time of writing this report, only eight have full-time vacancies (including two-point calls) – a rate of about 4%. Another four congregations have a part-time pastoral vacancy. This means that for all congregations who are actively seeking a called pastor, the vacancy rate is about 6.5%. Compared to some of our nearby sister synods, this Mission Territory is able to meet our called pastoral needs well.

Second, it became clear that our call process materials needed an update. So, Pastor Abrams and Josh Brodbeck, our Synod Administrator, worked this past year to update the materials we use to train congregation call committees. The new document is entitled "A Guide To the Call Process", and contains several new features: a "definitions" section to explain the call process terms and abbreviations we use in the ELCA; a detailed flow chart to help call committees and councils to know where they are in the process and what to do at that stage; an expanded list of suggested interview questions; suggested prayers to open meetings; and suggested hymns for the day of the call vote. This new resource has been received well by congregations.

Challenges do remain, however. The fact is, there are fewer pastors available nationwide for call to a congregation, and compared to earlier times, fewer graduating seminarians seeking their first calls. So, we must continue pray, to encourage those who have the gifts for pastoral ministry to consider a call in the church, and to be proactive in recruiting talented pastoral leaders to come to the Southern Ohio Synod.

### Lay Worship Leaders and Synod Authorized Ministers

We are excited to announce the rollout of the Southern Ohio Synod's Leadership Academy, the home of the Synod's new Lay Worship Leader and Synod Authorized Minister programs. Lay Worship leaders undergo training and certification in order to boost the ranks of supply preachers who fill pulpits in congregations without a regular pastor or whose pastor is unavailable on a Sunday. Synod Authorized Ministers are trained, certified, and appointed to serve in a single congregation where it is not possible to provide appropriate pastoral leadership. They preach weekly and provide additional functions depending on the needs of the parish. While these leaders have existed for many years, the programs have been on hiatus awaiting restructuring. The first cohort is already underway and we look forward to announcing the second one in the future.

### Congregational Resource Team

Our Congregational Resource Team (CRT) continues its work with pastors and congregations despite the pandemic, and has provided much-needed accompaniment for our rostered and lay leaders. This has taken the form of Zoom coaching sessions and written feedback and questions for pastors to consider as they approach difficult issues. As their work becomes a more established part of our Mission Territory's life, more of our leaders have decided to take advantage of this rich resource. Please contact Pr. Abrams if you would like a CRT referral.

While the CRT was saddened to have two of its members move to different synods, it was pleased to welcome Ms. Marjorie Ellis, and Pastor Michelle Terry to join it in its work.

#### **Pivots**

### Worship

Worship is always central to our life as Synod, especially at Assembly. Instead in 2020 like a lot of you we had some recorded services.

The Bishop's office staff provided: Good Friday, Easter Vigil, Emmanuel 9 Commemoration and Lessons and Carols. Resources were also available from SOS and the ELCA.

#### Vibrant Church Conference

Our new Vibrant Church Conference Team had been working since 2019 on the first annual conference for the equipping of congregational lay leaders. When the pandemic hit, they quickly pivoted to an online version: a monthly online workshop on a variety of topics, ranging from a how-to on digital ministry to DIY Christmas pageants and VBS and how to build stronger connections to your community and share the good news through evangelism. These workshops are free and easily accessible to anyone who can join us online!

### Website

Like many churches and organizations during the pandemic, the synod realized it could serve the mission territory much better with a new website & database. The new website is much easier to navigate and will help both rostered leaders and lay leaders equally. Both will have sections on the new website. The new website also consists of the "Community Sandbox." The sandbox is a platform for congregations and its members to share virtual resources. You will be able to find videos, documents, audio files, and much more available for download in the sandbox. There will also be a feature so you can ask for a resource if you can't find it. Everyone who wants access to this area will be given a login and password. Please check out our new website when it launches soon!

Synod Council faithfully met in July, September, December, January, and April. Beside the routine work, the Council passed a Resolution Against Racism. I want to thank them for their work. The Executive Committee meets regularly and we say goodbye to Pr. Ralph Wolfe who finishes his terms on Council and Exec Committee. Thank You!

Worship is different. The normal is online. Many SOS churches moved quickly to adapt to the reality that in person worship was not safe. Services from living rooms, kitchens, basements, backyards could be seen all over the territory. Online, in person, hybrid...is how we worship now. We in the Bishop's Office were able to "visit" several services on Sundays and we were "invited" to join Zoom Fellowship and Coffee Hours. Summer outdoor worship services gave us opportunities to come together in person and online. Some congregations transitioned in the fall to in person and online. When Ohio's COVID numbers rose in the late fall, many congregations transitioned back to online services only. Some were able to still come together in small numbers. We learned to be flexible.

We look with hope and anticipation to the time when we can join together in person...it's coming! Thank you all for what you've done this year! It's been challenging but you stepped up and created opportunities for ministry to happen differently.

I hope we learned from the past year. I hope the connections made through Facebook, Videos, and Live Stream worship continue. Don't stop your online presence! I hope the connections made online, with people we may have never met before, are connected to a faith community who can nurture and encourage discipleship. People joined in virtually to hear the message of Jesus. A message of hope in a scary time. How do we help make connections to local ministries so we all can live the faith in our neighborhoods and communities. That is the next opportunity.

Wait until you see what's happening around the Mission Territory during the Assembly!

### Thinking Differently

It was the week after Easter 2020 when I decided it was time to think outside the box. The pandemic wasn't going away soon. Easter was different only in that we were not together to celebrate the resurrection BUT Easter came and Christ is Risen. Sitting around feeling sorry for ourselves and lamenting wasn't going to get us anywhere. That week I called together people from and not from SOS to help me think how to tweak the vision of this synod, Stronger and Better Together...Joining Jesus in the Restoration of the World (Cultivate, Collaborate, Clarify).

We were stronger and better together before it became a commercial or tag line for the pandemic. We were miles ahead.

Outside the Box was born. Under the leadership of Mr. Chris Clothier the team has helped us think differently. We are one of the leaders in the church as we develop resources for congregations to do what you are called to do: be and make disciples for Jesus.

Outside the Box started by helping churches to overcome the technical hurdles associated with recording or streaming worship. To that end, we've issued several technology grants to congregations in need. The program has evolved to help our Synod congregations to drive connection. Mentoring sessions are providing congregations with ideas on how to make worship more engaging for an online audience. Congregations are re-connecting with people who were underserved pre-pandemic: the homebound, the infirmed, snowbirds, and those with schedules that prevented them from participating on Sunday mornings. Congregations are connecting with each other, to exchange ideas and resources and to share worship. And we expect these connections to evolve towards regional communities, where resources can be better leveraged to serve the needs of everyone in the region.

Remember playing in a sandbox? SOS we are playing in the *Community Sandbox*. What do you do in a sandbox? Build, create, knock down, use buckets, shovels, water, to use imagination for what can be and you invite others to create and build with you.

Here's what is happening in the SOS Community Sandbox....

### The Sandbox Project FAQ's

What is the Sandbox?

The Southern Ohio Synod is developing a resource website called "The Sandbox." The intention is to gather resources in one location for the benefit of Southern Ohio Synod churches and its members. The site will be for all ages, open to all faith and church related topics and can promote any resources you have found helpful.

What type of resources will be in the Sandbox?

The Sandbox will contain a virtual smorgasbord of topics and materials, including but not limited to resources for worship, devotionals, a Bible Study series, discipleship, education, digital church, technology, marketing, community engagement, stewardship, curriculum/resources for children's, youth and/or family ministries and confirmation materials

Who will have access to the Sandbox?

All members of Southern Ohio Synod congregations. Eventually, an avenue will be made available for those outside of Southern Ohio Synod churches.

Is there a cost to gain access to the Sandbox?

No, there is no cost to gain access to the Sandbox for any Southern Ohio Synod church or member. There will however, be a log-in feature.

Who do I contact if I have guestions and/or wish to have something added to the Sandbox?

Contact Gary Pecuch at <a href="mailto:gpecuch@southernohiosynod.org">gpecuch@southernohiosynod.org</a>

### **Abundance**

Thank You SOS for Mission Support! In a time of great uncertainty, you continued to share generously with the Synod and the larger church—just over \$1.5 million!

Your generosity this past year was awesome! We have 183 Congregations and only 17 congregations gave \$0. That is down from previous years and I hope next year I can announce we have 100% of our congregations giving to mission support.

Check out the giving from your congregation in the Pre-Assembly Materials.

Thank You! To remind you, Mission Support is offerings given from individuals to the congregation, congregational giving to the synod and synod giving to the Churchwide organization. The synod gives 40% of what we receive in unrestricted funds to the ELCA. So, when you look at the Mission and Ministry Plans you will see how much money stays here in the territory for ministry. We are indeed stronger and better together.

Remember THRIVE! Equipping Vibrant Churches Together? T-Shirts were auctioned off in 2019 as we kicked off the SOS Mission Campaign for you and then COVID hit and we PAUSED the campaign. BUT IT'S BACK! Pastor Larry Donner, the Campaign Manager, has a fantastic report about Thrive! Check it out in the Pre-Assembly Booklet. And...Just wait to see what we have planned at the Assembly.

Abundance doesn't just mean money.

God has blessed the Church and the Southern Ohio Synod abundantly with you.

As you prepare for Assembly, I am asking you to write down where God's Abundance is seen in your life, congregation, synod, ELCA. Somehow, we will figure out how to share the abundance during the Assembly.

Your Bishop's Office staff are witnesses to the Gospel in their work. We are here to walk alongside of you in the ministry we share together. It is an honor and privilege to serve in these callings. These committed and faithful servants of the Church have doubled and tripled up on their work. Thank you Pastor Bob Abrams, Assistant to the Bishop, Pastor Katie Kerrigan, Director for Evangelical Mission, Ms. Kim Uemura, Administrative Assistant to the Bishop and Storyteller, Mr. Josh Brodbeck, Synod Operations and Administrator, Worship Director and IT guy, Dr. C Lynn Nakamura, Director for Candidacy and Leadership Development, Dr. Cory Driver (thanks to Thrive), Director for Leadership Education, Mr. Gary Pecuch, Youth and Family Ministry Coach and Community Sandbox manager, Mrs. Joy Hacker, Accountant.

We also want to thank Sister Sally Burk, for her many years of faithful service. Sister Sally retired as the Pulpit Supply Coordinator in 2020.

We are grateful for the ministry that is a part of this synod because of our calling as the baptized.

I look forward to "seeing" you at the assembly where we will hear more about what's going on and where we are going, together, as opportunities become chances for ministry and sharing the faith with others in Jesus' name.

Think about the boy who brought his lunch to see and hear Jesus. Five loaves and two fish...and Jesus fed oodles of people. Abundance! We've got it here too.

See you soon and thanks for coming to Synod Assembly 2021. Don't forget to think about the question I asked and come ready to have fun too!

Bishop Suzanne Darcy Dillahunt

# A RESOLUTION BY THE SYNOD COUNCIL SOUTHERN OHIO SYNOD TO ALLOW RECOGNIZED CAMPUS MINISTRY SITES IN THE SYNOD TO SEND VOTING MEMBERS TO THE SYNOD ASSEMBLY

Whereas, the campus ministries in this synod not only accompany students in their faith journeys, but also raise up leaders for this church; and

**Whereas**, these ministries are witnesses to the Gospel of Jesus Christ to college students, faculties, staff, and others as they engage in Word and Sacrament ministry in their respective settings; and

Whereas, this synod has, in its Constitution and Bylaws, prioritized representation of youth and young adults among its voting membership in our synod assemblies; and

I believe my gifts/skills are taking Christ's message beyond the walls of the church directly to the people. Chaired Evangelism for twenty years, five years of which incorporated an every member program dubbed Fully Rely On God (F.R.O.G.) whereby prayer groups, telephone contacts, letter writing and visiting 5,000 homes in the Enon community took place as well as other projects needing oversight within the congregation (i.e. constructing a church family quilt, organizing the storage areas and music materials library, etc.). | What gifts or skills will you bring to your service on the Synod Council if elected?  |
| If elected to this position, my education, experience, enthusiasm and energy would be dedicated to serving my Lord based on the guidance the Holy Spirit has given and continues to give me. While not adept at conducting meetings via zoom or virtually, my willingness to learn and serve and appreciation for working with people outweigh that deficit. During the pandemic, the support I was able to provide teleworking proved successful and appreciated by the section chiefs and personnel depending on me. That same level of dedication would be evident if elected. I'm blessed to be able to serve, share, help, and love.   |

What leadership experience have you gained through service in your congregation, synod or Churchwide expression?

I have been blessed to serve on the Bishop's Out-Of-The-Box Team as well as the Synod's Stewardship Team. I am currently on the Board of Directors for Lutheran Outdoor Ministries in Ohio. I also serve as the photographer and backup social media content manager for the SOSynod. The congregation I currently serve has recently paid off its mortgage four years early. I have designed, installed, and trained live stream capabilities for the congregation I serve as well as assisted in other churches with their systems. Covid and congregational ministry has stretched my/our practical and theological "muscles" as I/we have learned to be faithful and flexible.

#### What leadership experience have you gained through your employment or service in your community?

Over this last year in particular I have grown in my leadership in regards to finance. To be able to raise \$18,000 for Covid relief to give away to our community, keep the congregation's bottom line in the black, raise donations for Lutheran Social Services totaling over \$8,000 while interacting with another local ELCA congregation to help spur on friendly fun and ministry, and payoff the congregation's building mortgage years in advance all in a year of a pandemic is a testimony to God's grace and sound stewardship.

Serving as a past board member for Lutheran Social Services for six years and now serving on the Board of Directors for Lutheran Outdoor Ministry in Ohio (LOMO) as well as aiding with my son's high school drama productions, marching band, and wrestling and my daughter's softball team has brought me great joy.

#### What gifts/perspectives are you eager to share with the whole church as a voting member at the 2022 Churchwide Assembly?

I am a cradle Lutheran who is loved by God and, in turn, loves to tell others about the Gospel of Jesus Christ. This year our congregation partnered with four other ELCA congregations throughout the country to produce collaborative midweek Lenten services. What gifts/perspectives are you eager to share with the whole church as a voting member at the 2022 Churchwide Assembly?

I'm driven by faith and love to serve the world and strive for justice and peace. I often find in the work that I do, that I enjoy bridging gaps between people that communicate or think differently and strive to move people in a collective direction. Discussion and disagreement are an important part of that. I like to keep thinking about the big picture, the big impact we want to make, and what's most important to get us there (both at my job and as the body of Christ!). I'm excited at the prospect of getting more involved with the church body as a whole and helping to play a part in the direction we go.

What gifts/perspectives are you eager to share with the whole church as a voting member at the 2022 Churchwide Assembly?

As a pastor, I am currently leading three inner-city churches. I have a passion for abiding with those in the margins and for building bridges between people of different backgrounds. I believe that God adores all people outrageously, and that we are called to be with everyone, no matter their differences in race, ethnicity, sexual orientation and gender identity, economic status, educational attainment, and many other factors. God calls us to work for and to demonstrate justice in our lives together and in how we proclaim the Gospel. It is becoming more clear by the week that we, the Church, are in the midst of major world changes. I believe that we should look forward to becoming what God wants us to be in the emerging era.

| I believe that my call is to serve in the whole Church and use my gifts wherever they can be of service. I have served five calls in five Synods. I have served on the candidacy committee in three of those Synods and served two terms as chair in one. I served on Churchwide Council and chaired the Planning and Evaluation Committee. I am currently preparing to be an ELCA level 1 coach.  |
| What leadership experience have you gained through your employment or service in your community?   |
| Through the years I have always looked for ways to be engaged in the community in which I served. I have been a volunteer firefighter, a fire and police chaplain, a volunteer at shelters and food ministries. I have served on various boards for community agencies and institutions. I am currently connecting by being an on-call chaplain at the local hospital in Athens several times a month.   |
| What gifts/perspectives are you eager to share with the whole church as a voting member at the 2022 Churchwide Assembly?   |
| I have had the privilege of serving on the churchwide council which opened my eyes to the intricacies and challenges that face the ELCA and how that plays out in the three expressions of our church body. As we begin to live into the vision of "Future Church" as imagined by our leadership and the Innovation Lab, I feel prepared to provide leadership in the process. Through the pandemic, the Church has made giant leaps to adapt. We cannot simply "go back' to what was. We need to continue to cultivate and hone the change to become the connected, nimble, faithful, Church God is calling us to be. |

| I have experienced working with others across the church, realizing first hand our church is a connected, such as St. Paul describes the church as the body of Christ. Serving the church, going to conferences, workshops, etc. many issues facing people in the inner city are very similar to those in rural areas, hunger, medical, social justice, etc.             |
| What leadership experience have you gained through your employment or service in your community?   |
| As a pastor I have had the opportunity to serve God's children directly in congregational settings. I have helped begin, organize, and start Lancaster Lutheran Together (LLT), which is a co-operational ministry of 5 congregations in the city of Lancaster (four congregations are within one mile, the fifth congregation is only three miles from the other four.) |
| What gifts/perspectives are you eager to share with the whole church as a voting member at the 2022 Churchwide Assembly?   |
| As a pastor to call the church to proclaim the Gospel, and have all people respond to the blessings God has first given us. To love and worship God, means we are called to love our neighbor. With regards to neighbor, I recall the story where Jesus asks which one was a neighbor to the Samaritan.  |

#### Churchwide Assembly 2022:X Lay Woman

IV. Please help the Assembly know you better by providing a brief (few sentences) answer to each question below:

What leadership experience have you gained through service in your congregation, synod or Churchwide expression?

I have participated and cared for my congregation in just about every way possible; prepare & print Sunday bulletins including choosing hymns for Sundays for the past 20 years, VBS Director, Sunday School teacher, WELCA member & Bible study leader, choir director, pianist/worship accompanist, altar committee, council member (first female council president), stewardship leader and coordinator of mission projects (LSS, LWR, local projects and shelter programs, worldwide projects), coordinator of funeral and other community meals, assisting with physical needs of the building and grounds. I write and/or compile the liturgy for Sunday worship – especially festival Sundays and seasons. One of the most rewarding things I have done is to prepare and serve the meal to the homeless clients of the LSS shelter which our congregation does on a monthly basis. I was an elected leader of the synod women's organization (before we became the WELCA) and an elected leader to the LSS women's auxiliary board. The only thing I haven't done is bake a pie for a dinner or bake sale: I make ugly pies...edible, but ugly.

In 1994 I did my first sermon at St. Paul-North Berne (my home church) and in 2002, after 3 years of classes, instruction and mentoring, I was certified as a Lay Worship leader in the Southern Ohio Synod. At that time I began leading worship services throughout the synod on a monthly basis. In 2018, after the ordained minister retired, I was installed as a SAM (Synod Authorized Minister) at my home church where I have lead worship weekly, presided over communion, conducted baptisms, funerals and weddings as well as instructed children in first communion...and all the other stuff that comes with leading and caring for a Lutheran congregation. I still write and/or compile the services, prepare and print the bulletin, choose hymns and coordinate worship assistants.

#### What leadership experience have you gained through your employment or service in your community?

Probably the thing I'm most proud of, as a volunteer, is being a t-ball coach for my children's teams but I have also been a PTA member, coordinator for the  $4^{th}$  of July celebration in Sugar Grove, Ohio, director of the annual craft fair at Berne Union School, coordinator of the annual basketball tournament for 4-6 graders, as well as assisting in many other school and community events or projects.

Professionally I worked at a homeless shelter for 7 years and then went on to be a housing counselor for people who were homeless or at risk of homelessness at a 211/Information & Referral agency for another 12 years. Besides caring for the physical and housing needs of the individuals or families I served I visited homeless camps where I brought food and/or information that would assist people in finding shelter or permanent housing and assisted in the annual national homeless count by seeking out the people who were sleeping under bridges, in parks or doorways and other places not meant for human habitation. I was the director of the LSS food pantry for a year and have volunteered there for over 20 years. I have counseled and donated to the women of the domestic violence shelter. I have also answered calls and counseled people on the local suicide crisis line (24/7).

In 2020, right before the pandemic hit, I traveled to Uganda as a missionary with the <u>Field of Dreams</u> agency. A faith experience almost beyond description.

#### What gifts/perspectives are you eager to share with the whole church as a voting member at the 2022 Churchwide Assembly?

All that I listed above...and the love, faith and peace of God; compassion and caring for our neighbors in our churches, our community and the world...what else is there?

#### What leadership experience have you gained through your employment or service in your community?

Currently I am organizing Gather Cincinnati, a new young adult ministry to connect and foster faith community in young adults from the Cincinnati area (https://www.firstlutherancincy.org/gathercincy). I am working hard to connect to ELCA churches in the Cincinnati area, and am especially excited to connect to ELCA programs including service like YAGM, camps like LOMO and LOMIK, and more Lutheran Campus Ministries, all of which will have young adult alumni who may be looking for community in the wake of these meaningful faith experiences. I am excited about what I will be able to learn in the next year from establishing Gather Cincinnati, and hopeful to be able to connect with leaders of these ELCA programs, and think the Churchwide Assembly will be a helpful opportunity for these connections.

Previously, I served on the executive board of the Big Data and Analytics Association at Ohio State for three years. I served as a Logistics Coordinator and Speaker Coordinator for the Women in Analytics conference in Columbus for two years.

Previous to that I served on the executive board of the Future Business Leaders of America Lake Zurich High School chapter for two years.

## Southern Ohio Synod

Evangelical Lutheran Church in America

What gifts/perspectives are you eager to share with the whole church as a voting member at the 2022 Churchwide Assembly?

I am excited to share my value of inclusive community that grows in embracing people often marginalized from church, including LGBTQIA people, young adults, and people of different races and economic statuses. I have found that I am passionate about these things as a result of my time at Jacob's Porch and in Kyle, South Dakota. From leadership, especially as Executive Vice President leading the Big Data and Analytics Association, I found that one of my gifts is finding a solution that works for all parties by encouraging compromise and creating a plan. From my experience at Lutheran Church of the Atonement and First Lutheran Church, I have found that I enjoy intergenerational friendship, listening to and learning from the perspectives of those older than me in the church. I have already gained a lot of new perspective as part of First Lutheran, a growing inner city congregation with unique challenges that is very open to change, is open to all people, and uniquely partners with arts organizations. For me, living in the OTR neighborhood that First Lutheran is right in the center of helps me to see up close to the community, in its diversity and challenges on all levels. My involvement with First Lutheran and leadership of Gather Cincinnati over the next year will only strengthen and expand these new perspectives and learnings I can share. These are the strengths I can bring to the 2022 Churchwide Assembly.

| I have gained a great deal of experience in serving my congregation, the synod, and Churchwide. At myhome church I was active in the youth group for quite a while, and also had the honor of serving as (at the time) the congregation's youngest church councilman in its history.  Within the synod, I was a member of Bishop Dillahunt's first class of the Bishop's Young Ambassadors Program. I also served as one of our synod's representatives to the 2017 ELCA Youth Summit in Houston, Texas. I am actively involved in campus ministry at Capital University (Embrace) and try to attend Jacob's Porch at OSU when available.  In churchwide, I have gone to the two previous Youth Gatherings (2015 &2018). There I began to learn how big the Church is and what it can do for Christ. I have stayed involved with churchwide via the Young Adults program, especially through the Abide small groups. |  |  |  |
| Wh   | at leadership experience have you gained through your employment or service in your community?   |  |  |
| me   | mmunity is the fabric of life; I can't fathom howa person could make it through life without one. As previously entioned, I have gained a great deal of my leadership skills through the Church. However, I have also done dership and service in other organizations. For instance, at Capital I am the treasurer of Embrace (soon to be VP), |  |  |

president of Campus Democrats, and a senator in Student Government (soon to be VP). I do my best to participate in service or volunteer opportunities as they come available. For me, staying connected with family and church members (especially older ones) is a form of service - whether that be through cards, emails, or texts. I also have

volunteered for the Lancaster Festival and am a regular blood donor.

#### What gifts/perspectives are you eager to share with the whole church as a voting member at the 2022 Churchwide Assembly?

I am eager to share my perspective as a young person with the whole Church as a voting member at 2022 Churchwide. I love Jesus, my faith, and the Church. It makes me sad to look around on Sunday mornings and see so few young people there. I think this is because they see the Church as out of touch and unable to relate to their lives. Policies that connect the Church with young people are important to me. As a voting member, I would fight for issues/measures that diversify the Church along all lines - whether in terms of age, race, gender, sexuality, or ability. It's my belief that Jesus is for everybody - and I will advocate this viewpoint while serving.

I will share my gifts of leadership, kindness, patience, and listening with all I encounter at the 2022 Churchwide Assembly.

#### SOCIAL SECURITY (FICA) COVERAGE AND HOUSING ALLOWANCE

IRS identifies lay leaders as employees. Congregations are responsible, therefore, to see that the appropriate FICA obligation is met.

The office of the ELCA Secretary advises that Deacons, due to the nature of their work and the IRS definition of clergy, are <u>not</u> eligible to receive part of their pay as a housing allowance.

#### **AUTOMOBILE EXPENSES**

When a Deacon is required to use her/his automobile in carrying out his/her ministry and responsibilities, the use of the automobile should be considered a business expense of the congregation. The congregation may negotiate with the Deacon to:

- 1. Lease or purchase an automobile for use by the Deacon and pay all related expenses; or
- 2. Pay a cents-per-mile reimbursement for actual business miles driven at the current IRS rate when the Deacon uses his or her automobile (Check the IRS website at www.irs.gov for the latest mileage reimbursement rate.); or
- 3. Pay the Deacon an equal monthly allowance sufficient which is reported to the IRS as taxable income

It is recommended that the congregation budget \$3,000/ year as Automotive Expenses, depending on local conditions.

#### PROFESSIONAL EXPENSES

Professional expenses include books, professional journals, magazines, vestments and other costs that are necessary for the Deacon to carry on an effective ministry in the congregation. The congregation may negotiate with the Deacon to either:

- 1. Pay all professional expenses as they occur with no maximum; or
- 2. Pay all professional expenses as they occur up to a maximum allowance; or
- 3. Establish an expense allowance paid in equal monthly installments which must be reported as taxable income.

It is recommended that the congregation budget professional expenses in the amount:

\$400/ year — professional expenses

Congregations may want to consider increasing professional expense allowances at certain times, such as after a move or during periods of increased continuing education. It shall be understood that purchases are the property of the Deacon.

#### CELL PHONE ALLOWANCE

It is common today that the Deacon is reachable by cell phone and that, in fact, much of the phone communication between Deacon and the congregation will take place via cell service. As a result, the congregation needs to compensate the Deacon for the use of their cell phone plan.

It is necessary that the congregation budget communication expenses in the amount:

\$1200/ year — single line cost of cell service. (\$100 per month)

#### CONTINUING EDUCATION ALLOWANCE

Continuing education is an investment in the ministry of our Deacons. It is important for Deacons to improve or acquire skills, and experience personal and professional growth for a more effective ministry. The ELCA recommends that Deacons have a minimum of 50 contact hours of continuing education per year. In addition to vacation, therefore, congregations are encouraged to make available at least two weeks per year (including two Sundays) for Deacons to engage in continuing education.

It is recommended that the congregation budget a minimum of \$1,200 per year to assist the Deacon in meeting the costs of tuition, books, supplies, travel and living expenses while on educational leave, as well as continue the Deacon's regular compensation.

Continuing education time and allocated funds accrue to an individual Deacon in relation to a call in a particular congregation. When a Deacon leaves that specific call, accrued continuing education time and funds are forfeited. Additionally, continuing education time and funds may not be transferred to a Deacon who replaces a Deacon in a place where such time has accrued.

#### PENSION, HEALTH, SURVIVOR AND DISABILITY BENEFITS

Congregations shall sponsor the Deacon in the Pension and Other Benefits Program of the ELCA, Portico Benefit Services, which provides retirement, disability, survivor, and medical-dental coverage. Sponsorship will include medical-coverage for the Deacon's spouse and children unless they have other employer-provided group medical insurance coverage and the Deacon consents to waiving medical-dental coverage for them under the ELCA program.

Portico currently offers a range of plans to best match the Deacon's healthcare needs. Some plans offer a healthcare spending account that allows both the Deacon and the congregation to set aside money the Deacon can spend on any medical expenses. Whichever plan the Deacon believes is best fit to the Deacon's family, the congregation should budget for Portico's GOLD level coverage, regardless of which plan the Deacon chooses.

As Deacons and their covered spouses age they will eventually enter Medicare. Before this happens, the congregation is strongly urged to contact Portico Benefit Services and negotiate a plan for both Deacon and family to be properly covered, including Medicare gap coverage.

Portico Benefit Services adjusts contribution rates annually based on current economic and regional realities. The board sends a letter to each congregation in mid-August that delineates the figures for the next year. The most current contribution rates may be also acquired by visiting the Board of Pensions web site and following the instructions for its easy-to-use contribution rate calculator at http://www.porticobenefits.org. Portico Benefit Services is happy to answer questions about their benefits programs. Call them at their Service Center at 1-800-352-2876 or 1-612-333-7651.

#### AN EXAMPLE

As an example let us consider a congregation which is calculating the salary and cost of a 36 year old Deacon's ministry who is a 12 year veteran with spouse and child. Using the figures in Table 1., they would arrive with the following.

TABLE 2: A SIMPLE SALARY STATEMENT

| N                            | egotiated Con | Guideline |
|------------------------------|---------------|-----------|
| Salary                       | 65,246        | 65,246    |
|                              |               |           |
| Benefits                     |               |           |
| Health & Pension             | 30,470        |           |
| Continuing Education         | 1,200         | 1,200     |
| Professional Exp/ Cell phone | 1,600         | 1,600     |
| Automobile Exp               | 3,000         | 3,000     |
| Total                        | 36,270        |           |
| Total Compensation           | 101,516       |           |

As the congregation begins the discussion with this Deacon it might begin looking at this table to consider the financial implications of calling this Deacon. After Deacon and congregation have come to agreement on this salary the congregation must remember that it will be responsible for further costs associated with FICA.

#### **DETAILED CALCULATIONS**

Though the above example is sufficient for understanding the salary of the Deacon further detail is needed for the **congregation's treasurer**. Here the salary is broken down further so the proper filings with the Internal Revenue Service and FICA can be made and so that the proper contributions to Portico can be calculated.

As noted above, the Payroll tax has to be calculated and paid to the Social Security Administration. This cost needs to be considered when determining the total cost of the call to the congregation.

#### OTHER CONSIDERATIONS

Our congregations come in many sizes, yet these guidelines use years of service as the prime factor of setting the salary. This is so because different size congregations require different skill sets, though these skill sets overlap to a certain degree. A larger congregation or one that finds itself financially well blessed might well afford to pay a higher salary than proposed in this document and can add an additional amount to line 5 in Table 3. Such a congregation is invited to prayerfully do exactly that.

When a vacancy occurs in a staff ministry the remaining rostered leaders are naturally asked to shoulder extra duties and work extra hours to sustain the ministry of the congregation. At such time a bonus for extra work is appropriate and needs to be added to the remaining rostered leaders' salaries for the duration of the vacancy.

#### **Deacons Covering Word and Sacrament Duties.**

When the congregation and the Bishop ask and commission a Deacon to take on the regular duties of a Congregational Pastor, including presiding over all sacraments, the Deacon should be compensated according to the guidelines for **Ministers of Word and Sacrament**, **No Parsonage Provided**.

#### SUPPORTING ROSTERED MINISTERS HEALTH AND WELLBEING

The church recognizes that its Rostered Ministers are gifts from God and, like all such gifts, require careful stewardship. Such care is the responsibility of every expression of the church. This section discusses the ways in which the congregation cares for its Rostered Ministers, and promotes the careful stewardship of their energies and gifts. Such careful stewardship is intentional care not only of the rostered minister, but also of the congregation and the larger church. People grow best in their discipleship in healthy congregations, and are best served by healthy leaders.

#### **HEALTHY LEADERS: Resilient Leaders Shape Healthy Faith Communities**

Healthy, resilient leaders shape healthy, resilient faith communities. Congregation members and organizations are called upon to provide their leaders with sustainable livelihoods as well as time to tend their well-being.

• The ELCA has long advocated for a careful stewardship of our Rostered Ministers' health and wholeness. As stated on the ELCA website regarding health and wellness: "Physical and mental health is an essential component of a Christian vocation and is God's intention for every human being. It is vital to our well-being and helps strengthen relationships and enhance our Christian service in our communities and world. Promoting good health

6

is our shared endeavor with God, just as caring for our neighbor's health is an expression of Christian love and service."

- Many Rostered Ministers suffer from stress, overweight, high blood pressure and/or high
  cholesterol, much of which stems from their vocational responsibilities. These unhealthy
  conditions not only reduce their effectiveness and quality of life, but also contribute
  directly to the rising cost of the congregation's cost for healthcare benefits.
- To ensure healthy ministers and to help control rising insurance costs, Rostered Ministers are encouraged to participate in Portico's annual wellness program.
- Rostered Ministers and congregations are encouraged to work together to identify
  methods of safeguarding and improving the physical, emotional, social, intellectual,
  vocational, and spiritual health and well-being of their Rostered Ministers.
- Such a discussion should define specific and mutually beneficial practices that respect a
  rostered minister's personal time, establish reasonable work schedules, and encourage a
  healthy lifestyle.
- Additionally, congregations are encouraged to promote self-care to ensure healthy congregations and healthy leaders.

#### WORK WEEK

It often seems that the work of ministry is "never done" and that there are never enough hours in the week. However, Rostered Ministers, like anyone else, need time off from work to replenish and re- energize.

- Rostered Ministers should have two full days off per week. These days off should be granted and encouraged to be free from ministry-related responsibilities.
- For the well-being of the rostered minister and health of the congregation, Rostered Ministers should not schedule work that exceed 50 hours in a single work week.
- The rostered minister's schedule (days/hours) may be negotiated as necessary.

#### **HOLIDAYS**

The responsibilities of Rostered Ministers often means that they are unable to take advantage of the three-day weekends and other holidays, such as Christmas and Easter, that most other people are able to observe.

- It is recommended, therefore, that the nine to eleven holidays observed by the general public, plus three floating personal days, should be designated as observed holidays by the congregation.
- Considerations should then be given, and Rostered Ministers should be encouraged, to take these days off at another time during the week whenever they cannot be observed because of pastoral responsibilities.

7

#### VACATION

- A minimum of four weeks of paid Vacation (including four Sundays) per year is recommended.
- Additional vacation time may be considered and negotiated between the rostered minister and their congregation.

# CONTINUING EDUCATION, PERSONAL LEAVE FOR FAITH, AND SABBATICAL LEAVE

Rostered Ministers shall engage in Continuing Education each year. This time is for both professional and personal faith formation and development for more effective ministry.

- The ELCA recommends 50 contact hours each year for Continuing Education.
- This time is in addition to any other vacation time and should include two-weeks per year, including two Sundays.

Other time for Personal Leave for Faith or Sabbatical Leave may be offered by the Congregation for all Rostered Ministers.

- For Rostered Ministers serving in the Southern Ohio Synod please see the Personal Leave for Faith for guidance in planning for this special time away for faith renewal.
- Personal Leave for Faith for faith renewal is designed to offer means for planning for time away for faith renewal in congregations that do not have Sabbatical leave policies or for whom extended leave may not feasible.
- Personal Leave for Faith is as a means for faith renewal and does not override any Sabbatical leave policies a congregation may already have in place.
- Some congregations offer guidelines for Sabbatical Leave for Rostered Ministers. This
  time away is to negotiated and planned in these congregations between the Councils and
  the Rostered Ministers.

#### HEALTH AND FAMILY LEAVE

Rostered Ministers shall be provided with six work-weeks (additional time may be negotiated) of paid leave, per year, with full salary and benefits for any of the following reasons:

- For the birth of a child, and to care for the newborn child,
- For the adoption of a child, and to care for the newly adopted child,
- For the care of an immediate family member with a serious health condition, and
- For a personal serious health condition in which the rostered minister is unable to work,
- Bereavement Leave to grieve and heal from the loss of a family member. \*
   \*Rostered Ministers self-care is important to maintaining personal and professional health, therefore, it is recommended that Rostered Ministers take one week to ten days,

per incident.

#### CHURCHWIDE AND OTHER COMMITMENTS

It is important to remember that Rostered Ministers are called by and to the whole church for service in both the church and in the world; this is the connectional nature of our church, serving together.

- Rostered Ministers may be called to serve in ways that take them beyond the congregation.
- Examples may include church-related activities such as serving as a Bible study leader or chaplain at a church camp, or on a synodical or ELCA committee or task force.
- In any case, this "extended ministry" should be carefully and prayerfully considered with the congregation council so that these duties do not disrupt the care for the congregation.
- This time should be regarded as an extension of the congregation's ministry and should not be considered as vacation time.
- Additional responsibilities outside the congregation may include, National Guard/ Reserve duty, or a teaching assignment at a college or seminary, are not seen as an extension of the congregational ministry, but a personal responsibility of the rostered minister.
- These responsibilities are often not negotiable in time and scope. The rostered minister
  and the ministry setting will need to address these in a case-by-case basis to ensure that
  leadership and pastoral care coverage is available during these times.

Notes about this table. The column labeled "Cash compensation" is what the pastor will actually be paid. In this document it is equal to "Defined Compensation" which is a technical term used by Portico, the ELCA health coverage provider. It includes all compensation to the pastor and is used to calculate the cost of the pastor's pension and health care plan. The Defined Compensation is the same for all pastors, parsonage or not, however when no parsonage is offered Defined and Cash Salary are the same. More detailed calculations that explain how this table is constructed can be found in APPENDIX A.

#### HOUSING ALLOWANCE

United Sates tax law allows pastors to report part of their salary as Housing Allowance. The benefit to the pastor is that the Housing Allowance is not taxable for income tax purposes, however, any portion of the allowance not spent on housing purposes is considered taxable income and that the pastor will be expected to pay taxes on that amount. The amount of Housing allowance is negotiated with the pastor and designated by the church council or congregation. It is important to note that Housing Allowance is <u>not</u> added to the Compensation in Table 1 above. Rather, it is a declaration that part of the pastor's salary will be used for housing purposes. Pastors should seek advice from tax professional to discover what can be included in Housing Allowance but typically it is the cost of the mortgage, utilities, and repairs, but it is not necessarily limited to these.

Housing Allowance is only available to a specific number of professions in specific situations. Congress chose to add Clergy to that number. The benefit to the congregations is that salaries can be kept reasonable as tax benefits increase real income.

#### SELF-EMPLOYMENT COMPENSATION ALLOWANCE (SECA)

Congregations should provide a minimum allowance that corresponds to the employer portion of social security taxes (7.65% of salary plus Housing Allowance for 2021). Congregations may further choose to provide for some or all of the remaining social security taxes (7.65% for 2021). The IRS considers any SECA as salary and should be reported as such by the pastor.

#### AUTOMOBILE EXPENSES

When a pastor is required to use her/his automobile in carrying out his/her ministry and responsibilities, the use of the automobile should be considered a business expense of the congregation. The congregation may negotiate with the pastor to:

- 1. Lease or purchase an automobile for use by the pastor and pay all related expenses; or
- 2. Pay a cents-per-mile reimbursement for actual business miles driven at the current IRS rate when the pastor uses his or her automobile (Check the IRS website at www.irs.gov for the latest mileage reimbursement rate.); or
- 3. Pay the pastor an equal monthly allowance sufficient which is reported to the IRS as taxable income

2

It is recommended that the congregation budget \$3,000/ year as Automotive Expenses, depending on local conditions.

#### PROFESSIONAL EXPENSES

Professional expenses include books, professional journals, magazines, vestments and other costs that are necessary for the pastor to carry on an effective ministry in the congregation. The congregation may negotiate with the pastor to either:

- 1. Pay all professional expenses as they occur with no maximum; or
- 2. Pay all professional expenses as they occur up to a maximum allowance; or
- 3. Establish an expense allowance paid in equal monthly installments which must be reported as taxable income.

#### It is recommended that the congregation budget professional expenses in the amount:

#### \$400/ year — professional expenses

Congregations may want to consider increasing professional expense allowances at certain times, such as after a move or during periods of increased continuing education. It shall be understood that purchases are the property of the pastor.

#### CELL PHONE ALLOWANCE

It is common today that the pastor is reachable by cell phone and that, in fact, much of the phone communication between pastor and the congregation will take place via cell service. As a result, the congregation needs to compensate the pastor for the use of their cell phone plan.

It is necessary that the congregation budget communication expenses in the amount:

\$1200/ year — single line cost of cell service. (\$100 per month)

#### CONTINUING EDUCATION ALLOWANCE

Continuing education is an investment in the ministry of our pastors. It is important for pastors to improve or acquire skills, and experience personal and professional growth for a more effective ministry. The ELCA recommends that pastors have a minimum of 50 contact hours of continuing education per year. In addition to vacation, therefore, congregations are encouraged to make available at least two weeks per year (including two Sundays) for pastors to engage in continuing education.

It is recommended that the congregation budget a minimum of \$1,200 per year to assist the pastor in meeting the costs of tuition, books, supplies, travel and living expenses while on educational leave, as well as continue the pastor's regular compensation.

Continuing education time and allocated funds accrue to an individual pastor in relation to a call in a particular congregation. When a pastor leaves that specific call, accrued continuing education time and funds are forfeited. Additionally, continuing education time and funds may not be transferred to a pastor who replaces a pastor in a place where such time has accrued.

#### PENSION, HEALTH, SURVIVOR AND DISABILITY BENEFITS

Congregations shall sponsor the pastor in the Pension and Other Benefits Program of the ELCA, Portico Benefit Services, which provides retirement, disability, survivor, and medical-dental coverage. Sponsorship will include medical-coverage for the pastor's spouse and children unless they have other employer-provided group medical insurance coverage and the pastor consents to waiving medical-dental coverage for them under the ELCA program.

Portico currently offers a range of plans to best match the pastor's healthcare needs. Some plans offer a healthcare spending account that allows both the pastor and the congregation to set aside money the pastor can spend on any medical expenses. Whichever plan the pastor believes is best fit to the pastor's family, **the congregation should budget for Portico's GOLD level coverage, regardless of which plan the pastor chooses.** 

As pastors and their covered spouses age they will eventually enter Medicare. Before this happens, the congregation is strongly urged to contact Portico Benefit Services and negotiate a plan for both pastor and family to be properly covered, including Medicare gap coverage.

Portico Benefit Services adjusts contribution rates annually based on current economic and regional realities. The board sends a letter to each congregation in mid-August that delineates the figures for the next year. The most current contribution rates may be also acquired by visiting the Board of Pensions web site and following the instructions for its easy-to-use contribution rate calculator at http://www.porticobenefits.org. Portico Benefit Services is happy to answer questions about their benefits programs. Call them at their Service Center at 1-800-352-2876 or 1-612-333-7651.

#### AN EXAMPLE

As an example let us consider a congregation which is calculating the salary and cost of a pastor's ministry who is 40 years old and a 12 year veteran. Using the figures in Table 1., they would arrive with the following.

**TABLE 2: A SIMPLE SALARY STATEMENT:** 

|                                   | Negotiated Comp |                            |
|-----------------------------------|-----------------|----------------------------|
| Salary & Housing                  |                 |                            |
| Salary                            | 70,235          |                            |
| Housing Allow                     |                 | Designated by Cong. 15,056 |

| Benefits                          |                 |                            |
| Health & Pension                  | 30,470          |                            |
| Continuing Education              | 2,000           | Guideline 1,200            |
| Professional Exp                  | 1,600           | Guideline 1,600            |
| Automobile Exp                    | 3,000           | Guideline 3,000            |
| Total                             | 37,070          |                            |
| Total Expense to the Congregation | 107,305         |                            |

In this example, the congregation has chosen to designate \$15,056 as a Housing Allowance. This designation has to be made by a meeting of council or congregation that sets this amount by a recorded motion in the meeting. This can easily be done at adoption of Congregational Budget. Here, a SECA of \$4.991 has also been designated.

This congregation chose to budget \$2,000 to invest in its pastor's continuing education. They also chose to use the recommended amounts for professional expenses and cellphone usage, as well as for the Automobile Allowance.

In this example, the pastor has a family so the congregation has contacted Portico and has been quoted a cost of medical, pension, and survivor benefits of \$30,470. The total for the pastoral ministry budget line in this congregation would then be: \$107,305.

#### **DETAILED CALCULATIONS**

Though the above example is sufficient for understanding the salary of the pastor further detail is needed for the **congregation's treasurer**. Here the salary is broken down further so the proper filings with the internal Revenue Service can be made and so that the proper contributions to Portico can be calculated. Note: The column Headings and calculations here rely on the figures in **APPENDIX A**. Please consult the Appendix for further information how they are arrived at.

#### Notes:

SECA is based on Negotiated Base Salary (line 10) + Housing Allowance (Line 11)

**Taxable Compensation**: Negotiated Base Salary (Line 10) + SECA (Line 13)

**Defined Compensation** (Portico uses this figure to calculate Health and Retirement benefits:

Negotiated Base Salary (Line 10) + Housing Allowance (Line 11) + SECA (Line 13)

#### OTHER CONSIDERATIONS

Our congregations come in many sizes, yet these guidelines use years of service as the prime factor of setting the salary of the pastor. This is so because different size congregations require different skill sets, though these skill sets overlap to a certain degree. A larger congregation or one that finds itself financially well blessed might well afford to pay its pastors a higher salary than proposed in this document and can add an additional amount to line 5 in Table 3. Such a congregation is urged to prayerfully do exactly that.

When a vacancy occurs in a staff ministry the remaining rostered leaders are naturally asked to shoulder extra duties and work extra hours to sustain the ministry of the congregation. At such time a bonus for extra work is appropriate and needs to be added to the remaining rostered leaders' salaries for the duration of the vacancy.

Staff ministries require further consideration by the congregation. Invariably, one pastor is designated as the "lead pastor." The congregation should strongly consider paying the lead pastor at a rate equal or higher than the associate(s). For example: A newly called lead pastor with less experience may share ministry with a more experienced associate pastor.

The Southern Ohio Synod territory is economically highly diverse. In 2020 the Bureau of Labor Statistics reported that the average weekly wage in the synod's territory ranged from \$607 at the low end to \$1,307 at the high end. The guidelines here offered are aimed at the average Lutheran pastor in Ohio. Both pastor and congregation need to look seriously and with prayer at the local realities to determine whether the call to and of the congregation is affordable or feasible.

#### SUPPORTING ROSTERED MINISTERS HEALTH AND WELLBEING

The church recognizes that its Rostered Ministers are gifts from God and, like all such gifts, require careful stewardship. Such care is the responsibility of every expression of the church. This section discusses the ways in which the congregation cares for its Rostered Ministers, and promotes the careful stewardship of their energies and gifts. Such careful stewardship is intentional care not only of the rostered minister, but also of the congregation and the larger church. People grow best in their discipleship in healthy congregations, and are best served by healthy leaders.

#### **HEALTHY LEADERS: Resilient Leaders Shape Healthy Faith Communities**

Healthy, resilient leaders shape healthy, resilient faith communities. Congregation members and organizations are called upon to provide their leaders with sustainable livelihoods as well as time to tend their well-being.

- The ELCA has long advocated for a careful stewardship of our Rostered Ministers' health and wholeness. As stated on the ELCA website regarding health and wellness: "Physical and mental health is an essential component of a Christian vocation and is God's intention for every human being. It is vital to our well-being and helps strengthen relationships and enhance our Christian service in our communities and world. Promoting good health is our shared endeavor with God, just as caring for our neighbor's health is an expression of Christian love and service."
- Many Rostered Ministers suffer from stress, overweight, high blood pressure and/or high
  cholesterol, much of which stems from their vocational responsibilities. These unhealthy
  conditions not only reduce their effectiveness and quality of life, but also contribute
  directly to the rising cost of the congregation's cost for healthcare benefits.
- To ensure healthy ministers and to help control rising insurance costs, Rostered Ministers are encouraged to participate in Portico's annual wellness program.
- Rostered Ministers and congregations are encouraged to work together to identify
  methods of safeguarding and improving the physical, emotional, social, intellectual,
  vocational, and spiritual health and well-being of their Rostered Ministers.
- Such a discussion should define specific and mutually beneficial practices that respect a
  rostered minister's personal time, establish reasonable work schedules, and encourage a
  healthy lifestyle.
- Additionally, congregations are encouraged to promote self-care to ensure healthy
- congregations and healthy leaders.

#### WORK WEEK

It often seems that the work of ministry is "never done" and that there are never enough hours in the week. However, Rostered Ministers, like anyone else, need time off from work to replenish and re- energize.

- Rostered Ministers should have two full days off per week. These days off should be granted and encouraged to be free from ministry-related responsibilities.
- For the well-being of the rostered minister and health of the congregation, Rostered Ministers should not schedule work that exceed 50 hours in a single work week.
- The rostered minister's schedule (days/hours) may be negotiated as necessary.

#### **HOLIDAYS**

The responsibilities of Rostered Ministers often means that they are unable to take advantage of the three-day weekends and other holidays, such as Christmas and Easter, that most other people are able to observe.

- It is recommended, therefore, that the nine to eleven holidays observed by the general
  public, plus three floating personal days, should be designated as observed holidays by
  the congregation.
- Considerations should then be given, and Rostered Ministers should be encouraged, to take these days off at another time during the week whenever they cannot be observed because of pastoral responsibilities.

#### VACATION

- A minimum of four weeks of paid Vacation (including four Sundays) per year is recommended.
- Additional vacation time may be considered and negotiated between the rostered minister and their congregation.

# CONTINUING EDUCATION, PERSONAL LEAVE FOR FAITH, AND SABBATICAL LEAVE

Rostered Ministers shall engage in Continuing Education each year. This time is for both professional and personal faith formation and development for more effective ministry.

- The ELCA recommends 50 contact hours each year for Continuing Education.
- This time is in addition to any other vacation time and should include two-weeks per year, including two Sundays.

Other time for Personal Leave for Faith or Sabbatical Leave may be offered by the Congregation for all Rostered Ministers.

• For Rostered Ministers serving in the Southern Ohio Synod please see the Personal Leave

for Faith for guidance in planning for this special time away for faith renewal.

- Personal Leave for Faith for faith renewal is designed to offer means for planning for time away for faith renewal in congregations that do not have Sabbatical leave policies or for whom extended leave may not feasible.
- Personal Leave for Faith is as a means for faith renewal and does not override any Sabbatical leave policies a congregation may already have in place.
- Some congregations offer guidelines for Sabbatical Leave for Rostered Ministers. This
  time away is to negotiated and planned in these congregations between the Councils and
  the Rostered Ministers.

#### **HEALTH AND FAMILY LEAVE**

Rostered Ministers shall be provided with six work-weeks (additional time may be negotiated) of paid leave, per year, with full salary and benefits for any of the following reasons:

- For the birth of a child, and to care for the newborn child,
- For the adoption of a child, and to care for the newly adopted child,
- For the care of an immediate family member with a serious health condition, and
- For a personal serious health condition in which the rostered minister is unable to work,
- Bereavement Leave to grieve and heal from the loss of a family member. \*
   \*Rostered Ministers self-care is important to maintaining personal and professional health, therefore, it is recommended that Rostered Ministers take one week to ten days, per incident.

#### CHURCHWIDE AND OTHER COMMITMENTS

It is important to remember that Rostered Ministers are called by and to the whole church for service in both the church and in the world; this is the connectional nature of our church, serving together.

- Rostered Ministers may be called to serve in ways that take them beyond the congregation.
- Examples may include church-related activities such as serving as a Bible study leader or chaplain at a church camp, or on a synodical or ELCA committee or task force.
- In any case, this "extended ministry" should be carefully and prayerfully considered with the congregation council so that these duties do not disrupt the care for the congregation.
- This time should be regarded as an extension of the congregation's ministry and should not be considered as vacation time.
- Additional responsibilities outside the congregation may include, National Guard/ Reserve duty, or a teaching assignment at a college or seminary, are not seen as an

- extension of the congregational ministry, but a personal responsibility of the rostered minister.
- These responsibilities are often not negotiable in time and scope. The rostered minister and the ministry setting will need to address these in a case-by-case basis to ensure that leadership and pastoral care coverage is available during these times.

When the Taskforce on Compensation calculates the salaries for Word and Sacrament Ministers

the table above is used. To equalize the salary of ministers receiving Housing Allowance and those in parsonages a base figure is drawn up, it is then increased by 30% which represents Housing Allowance. Please, note that the 30% is a typical estimate and should never be interpreted as a binding figure. Pastor and congregation, with the aid of the pastor's tax professional, should develop a figure that represents a realistic amount for the Housing Allowance at the actual location of service.

A SECA allowance is added and the final Defined compensation is arrived at.

For those who are curious, in the case where a congregation owns a parsonage and the pastor and congregation agree that it will be occupied by the pastor, the Housing Allowance in the table above would be eliminated and replaced with a Housing Equity Allowance of 3% of the Cash Compensation per year.

Notes about this table: The column "Defined Compensation" is a technical term used by Portico. It includes all compensation to the pastor and is used to calculate the cost of the pastor's pension and health care plan. The Defined Compensation is the same for all pastors, parsonage or not. **APPENDIX A** outlines how it is arrived at. **The column labeled "Cash compensation" is what the pastor will actually be paid.** As the congregation provides a parsonage however, the Cash Compensation is different from the Defined Compensation. It is reduced by the amount that would otherwise be a typical Housing Allowance for pastors where a parsonage is not available A Self Employment Compensation Allowance is also added.

Why so complicated? The housing that is supplied by the congregation has a cash value to the pastor. The pastor's Cash Salary is therefore reduced. It is reduced by an amount that represents the cost of housing the pastor and family. But, for purposes of calculating pension and health insurance, a common figure, the Defined Compensation, is used. This figure is the same for pastors with or without a parsonage. This rather complicated accounting maneuver is necessary to make sure that a pastor who has spent many years in a parsonage will have sufficient pension funds to retire on.

#### HOUSING EQUITY ALLOWANCE

When a pastor lives in a parsonage some benefits of homeownership go unrealized. One benefit of home ownership is increased equity in the house owned. To adjust for this, since the pastor might one day need to purchase a house upon retirement or departure to another call, is to establish an Equity Allowance.

The amount of this Equity Allowance is 3% of the Defined Compensation per year. The congregation needs to establish an account into which the 3% allowance is deposited in regular intervals. When the pastor departs from the congregation the pastor has the rights to these funds.

#### SELF EMPLOYMENT COMPENSATION ALLOWANCE (SECA)

Congregations should provide a minimum allowance that corresponds to the employer portion of social security taxes (7.65% of column 1 plus column 2 in APPENDIX A for 2020). Congregations may further choose to provide for some or all of the remaining social security taxes (7.65% for 2020). The IRS considers any SECA as salary and should be reported as such by the pastor.

#### **AUTOMOBILE EXPENSES**

When a pastor is required to use her/his automobile in carrying out his/her ministry and responsibilities, the use of the automobile should be considered a business expense of the congregation. The congregation may negotiate with the pastor to:

1. Lease or purchase an automobile for use by the pastor and pay all related expenses; or

- 2. Pay a cents-per-mile reimbursement for actual business miles driven at the current IRS rate when the pastor uses his or her automobile (Check the IRS website at www.irs.gov for the latest mileage reimbursement rate.); or
- 3. Pay the pastor an equal monthly allowance sufficient which is reported to the IRS as taxable income

It is recommended that the congregation budget \$3,000/ year as Automotive Expenses, depending on local conditions.

#### PROFESSIONAL EXPENSES

Professional expenses include books, professional journals, magazines, vestments and other costs that are necessary for the pastor to carry on an effective ministry in the congregation. The congregation may negotiate with the pastor to either:

- 1. Pay all professional expenses as they occur with no maximum; or
- 2. Pay all professional expenses as they occur up to a maximum allowance; or
- 3. Establish an expense allowance paid in equal monthly installments which must be reported as taxable income.

It is recommended that the congregation budget professional expenses in the amount:

#### \$400/ year — professional expenses

Congregations may want to consider increasing professional expense allowances at certain times, such as after a move or during periods of increased continuing education. It shall be understood that purchases are the property of the pastor.

#### CELL PHONE ALLOWANCE

It is common today that the pastor is reachable by cell phone and that, in fact, much of the phone communication between pastor and the congregation will take place via cell service. As a result, the congregation needs to compensate the pastor for the use of their cell phone plan.

It is necessary that the congregation budget communication expenses in the amount:

\$1200/ year — single line cost of cell service. (\$100 per month)

#### CONTINUING EDUCATION ALLOWANCE

Continuing education is an investment in the ministry of our pastors. It is important for pastors to improve or acquire skills, and experience personal and professional growth for a more effective ministry. The ELCA recommends that pastors have a minimum of 50 contact hours of continuing education per year. In addition to vacation, therefore, congregations are encouraged to make

available at least two weeks per year (including two Sundays) for pastors to engage in continuing education.

It is recommended that the congregation budget a minimum of \$1,200 per year to assist the pastor in meeting the costs of tuition, books, supplies, travel and living expenses while on educational leave, as well as continue the pastor's regular compensation.

Continuing education time and allocated funds accrue to an individual pastor in relation to a call in a particular congregation. When a pastor leaves that specific call, accrued continuing education time and funds are forfeited. Additionally, continuing education time and funds may not be transferred to a pastor who replaces a pastor in a place where such time has accrued.

#### PENSION, HEALTH, SURVIVOR AND DISABILITY BENEFITS

Congregations shall sponsor the pastor in the Pension and Other Benefits Program of the ELCA, Portico Benefit Services, which provides retirement, disability, survivor, and medical-dental coverage. Sponsorship will include medical-coverage for the pastor's spouse and children unless they have other employer-provided group medical insurance coverage and the pastor consents to waiving medical-dental coverage for them under the ELCA program.

Portico currently offers a range of plans to best match the pastor's healthcare needs. Some plans offer a healthcare spending account that allows both the pastor and the congregation to set aside money the pastor can spend on any medical expenses. Whichever plan the pastor believes is best fit to the pastor's family, the congregation should budget for Portico's GOLD level coverage, regardless of which plan the pastor chooses.

As pastors and their covered spouses age they will eventually enter Medicare. Before this happens, the congregation is strongly urged to contact Portico Benefit Services and negotiate a plan for both pastor and family to be properly covered, including Medicare gap coverage.

Portico Benefit Services adjusts contribution rates annually based on current economic and regional realities. The board sends a letter to each congregation in mid-August that delineates the figures for the next year. The most current contribution rates may be also acquired by visiting the Board of Pensions web site and following the instructions for its easy-to-use contribution rate calculator at http://www.porticobenefits.org. Portico Benefit Services is happy to answer questions about their benefits programs. Call them at their Service Center at 1-800-352-2876 or 1-612-333-7651.

#### AN EXAMPLE

As an example let us consider a congregation which is calculating the salary and cost of the pastor's ministry who is 40 years old and a 12 year veteran. Using the figures in Table 1., they would arrive with the following.

|                         | Negotiated Comp | Guideline |
|-------------------------|-----------------|-----------|
| Salary & Housing        |                 |           |

| FICAReimb               | 4,991           |           |
| Total                   | 55,180          | 55,180    |
| Utilities Allowance     |                 |           |
| Furnishings Allowance   |                 |           |
| Total Cash Compensation | 55,180          |           |
|                         |                 |           |
|                         |                 |           |
| Benefits                |                 |           |
| Housing Equity          | 2,107           | 2,107     |
| Health & Pension        | 30,470          |           |
| Continuing Ed           | 2,000           | 1,200     |
| Professional Exp        | 1,600           | 1,600     |
| Automobile Exp          | 3,000           |           |
| Total                   | 39,177          |           |
| Total Compensation      | 94,357          |           |

**TABLE 2: A SIMPLE SALARY STATEMENT** 

In this example, a SECA of 4,991 has been designated and the amount actually paid to the pastor is 54,418, as seen in Table 1.

The congregation will add \$2,107 to a savings account as Equity Allowance. The congregation budgeted \$2,000 to invest in its pastor's continuing education. They did chose to use the recommended amounts for professional expenses and cellphone usage as well as Automobile Allowance.

In this example, the pastor has a family so the congregation has contacted Portico and has been quoted a cost of medical, pension, and survivor benefits of \$30,470. The total for the pastoral ministry budget line in this congregation would then be: \$94,357.

#### **DETAILED CALCULATIONS**

Though the above example is sufficient for understanding the salary of the pastor further detail is needed for the **congregation's treasurer**. Here the salary is broken down further so the proper filings with the internal Revenue Service can be made and so that the proper contributions to Portico can be calculated. Note: Please, consult **APPENDIX A.!** It gives further insight to how these figures were arrived at.

#### Notes:

SECA is based on Negotiated Base Salary (line 5) + Housing Allowance (Line 15)

Taxable Compensation: Negotiated Base Salary (Line 5 + SECA (Line 17)

Defined Compensation (Portico uses this figure to calculate Health and Retirement benefits:

Negotiated Base Salary (Line 5) + Housing Allowances (Line 15) + SECA (Line 17) + Housing Allowance (line 11)

A few comments on this example. Yes, a Housing Allowance has been calculated and has been included in the calculations. But, as noted in the table, it is not paid to the pastor. It is used as the value of housing that is supplied by the parsonage. Why is this? When the Recommended Compensation Guidelines are assembled, we begin with a Baseline Salary. We add to that Baseline an amount of 30% of the baseline which is then considered Housing Allowance. SECA Allowance is calculated based on the sum of those figures. When the SECA Allowance is added to the total we arrive at the Defined Compensation that will be used for Pension and Health Benefit calculations. If two congregations, one with a parsonage and one without, were to both follow these guidelines, they would arrive at identical Defined Compensations which is the goal of theses guidelines. However, as the example above shows, your congregation, with a parsonage available, would actually pay the pastor a cash salary that has been reduced by the amount of the Housing Allowance. As housing is tax deductible for Ordained Ministers, the Taxable Compensation is also the Defined Compensation minus the Housing Allowance. This taxable income is also identical from congregation that follows guidelines to another, parsonage or not.

#### OTHER CONSIDERATIONS

Our congregations come in many sizes, yet these guidelines use years of service as the prime factor of setting the salary of the pastor. This is so because different size congregations require different skill sets, though these skill sets overlap to a certain degree. A larger congregation or one that finds itself financially well blessed might well afford to pay its pastors a higher salary than proposed in this document and can add an additional amount to line 5 in Table 3. Such a congregation is invited to prayerfully do exactly that.

When a vacancy occurs in a staff ministry the remaining rostered leaders are naturally asked to shoulder extra duties and work extra hours to sustain the ministry of the congregation. At such time a bonus for extra work is appropriate and needs to be added to the remaining rostered leaders' salaries for the duration of the vacancy.

Staff ministries require further consideration by the congregation. Invariably one pastor is designated as the "lead pastor." The congregation should strongly consider paying the lead pastor at a rate equal or higher than the associate(s). For example: A newly called lead pastor with less experience may share ministry with a more experienced associate pastor.

The Southern Ohio Synod territory is economically highly diverse. In 2018 the Bureau of Labor Statistics reported that the average weekly wage in the synod's territory ranged from \$576 at the low end to \$1,205 at the high end. The guidelines here offered are aimed at the average Lutheran pastor in Ohio. Both pastor and congregation need to look seriously and with prayer at the local realities to determine whether the call to and of the congregation is affordable or feasible.

#### SUPPORTING ROSTERED MINISTERS HEALTH AND WELLBEING

The church recognizes that its Rostered Ministers are gifts from God and, like all such gifts, require careful stewardship. Such care is the responsibility of every expression of the church. This section discusses the ways in which the congregation cares for its Rostered Ministers, and promotes the careful stewardship of their energies and gifts. Such careful stewardship is intentional care not only of the rostered minister, but also of the congregation and the larger church. People grow best in their discipleship in healthy congregations, and are best served by healthy leaders.

#### **HEALTHY LEADERS: Resilient Leaders Shape Healthy Faith Communities**

Healthy, resilient leaders shape healthy, resilient faith communities. Congregation members and organizations are called upon to provide their leaders with sustainable livelihoods as well as time to tend their well-being.

- The ELCA has long advocated for a careful stewardship of our Rostered Ministers' health and wholeness. As stated on the ELCA website regarding health and wellness: "Physical and mental health is an essential component of a Christian vocation and is God's intention for every human being. It is vital to our well-being and helps strengthen relationships and enhance our Christian service in our communities and world. Promoting good health is our shared endeavor with God, just as caring for our neighbor's health is an expression of Christian love and service."
- Many Rostered Ministers suffer from stress, overweight, high blood pressure and/or high
  cholesterol, much of which stems from their vocational responsibilities. These unhealthy
  conditions not only reduce their effectiveness and quality of life, but also contribute
  directly to the rising cost of the congregation's cost for healthcare benefits.
- To ensure healthy ministers and to help control rising insurance costs, Rostered Ministers are encouraged to participate in Portico's annual wellness program.
- Rostered Ministers and congregations are encouraged to work together to identify
  methods of safeguarding and improving the physical, emotional, social, intellectual,
  vocational, and spiritual health and well-being of their Rostered Ministers.
- Such a discussion should define specific and mutually beneficial practices that respect a
  rostered minister's personal time, establish reasonable work schedules, and encourage a
  healthy lifestyle.
- Additionally, congregations are encouraged to promote self-care to ensure healthy congregations and healthy leaders.

#### WORK WEEK

It often seems that the work of ministry is "never done" and that there are never enough hours in the week. However, Rostered Ministers, like anyone else, need time off from work to replenish and re- energize.

- Rostered Ministers should have two full days off per week. These days off should be granted and encouraged to be free from ministry-related responsibilities.
- For the well-being of the rostered minister and health of the congregation, Rostered Ministers should not schedule work that exceed 50 hours in a single work week.
- The rostered minister's schedule (days/hours) may be negotiated as necessary.

#### **HOLIDAYS**

The responsibilities of Rostered Ministers often means that they are unable to take advantage of the three-day weekends and other holidays, such as Christmas and Easter, that most other people are able to observe.

- It is recommended, therefore, that the nine to eleven holidays observed by the general
  public, plus three floating personal days, should be designated as observed holidays by
  the congregation.
- Considerations should then be given, and Rostered Ministers should be encouraged, to take these days off at another time during the week whenever they cannot be observed because of pastoral responsibilities.

#### VACATION

- A minimum of four weeks of paid Vacation (including four Sundays) per year is recommended.
- Additional vacation time may be considered and negotiated between the rostered minister and their congregation.

# CONTINUING EDUCATION, PERSONAL LEAVE FOR FAITH, AND SABBATICAL LEAVE

Rostered Ministers shall engage in Continuing Education each year. This time is for both professional and personal faith formation and development for more effective ministry.

- The ELCA recommends 50 contact hours each year for Continuing Education.
- This time is in addition to any other vacation time and should include two-weeks per year, including two Sundays.

Other time for Personal Leave for Faith or Sabbatical Leave may be offered by the Congregation for all Rostered Ministers.

• For Rostered Ministers serving in the Southern Ohio Synod please see the Personal Leave

for Faith for guidance in planning for this special time away for faith renewal.

- Personal Leave for Faith for faith renewal is designed to offer means for planning for time away for faith renewal in congregations that do not have Sabbatical leave policies or for whom extended leave may not feasible.
- Personal Leave for Faith is as a means for faith renewal and does not override any Sabbatical leave policies a congregation may already have in place.
- Some congregations offer guidelines for Sabbatical Leave for Rostered Ministers. This
  time away is to negotiated and planned in these congregations between the Councils and
  the Rostered Ministers.

#### **HEALTH AND FAMILY LEAVE**

Rostered Ministers shall be provided with six work-weeks (additional time may be negotiated) of paid leave, per year, with full salary and benefits for any of the following reasons:

- For the birth of a child, and to care for the newborn child,
- For the adoption of a child, and to care for the newly adopted child,
- For the care of an immediate family member with a serious health condition, and
- For a personal serious health condition in which the rostered minister is unable to work,
- Bereavement Leave to grieve and heal from the loss of a family member. \*
   \*Rostered Ministers self-care is important to maintaining personal and professional health, therefore, it is recommended that Rostered Ministers take one week to ten days, per incident.

#### CHURCHWIDE AND OTHER COMMITMENTS

It is important to remember that Rostered Ministers are called by and to the whole church for service in both the church and in the world; this is the connectional nature of our church, serving together.

- Rostered Ministers may be called to serve in ways that take them beyond the congregation.
- Examples may include church-related activities such as serving as a Bible study leader or chaplain at a church camp, or on a synodical or ELCA committee or task force.
- In any case, this "extended ministry" should be carefully and prayerfully considered with the congregation council so that these duties do not disrupt the care for the congregation.
- This time should be regarded as an extension of the congregation's ministry and should not be considered as vacation time.
- Additional responsibilities outside the congregation may include, National Guard/ Reserve duty, or a teaching assignment at a college or seminary, are not seen as an

extension of the congregational ministry, but a personal responsibility of the rostered minister

• These responsibilities are often not negotiable in time and scope. The rostered minister

#### APPENDIX A.

#### **Detailed Computations**

When the Taskforce on Compensation calculates the salaries for Word and Sacrament Ministers the table above is used. To equalize the salary of ministers receiving Housing Allowance and those in parsonages a base figure is drawn up, it is then increased by 30% which represents Housing Allowance. Please, note that the 30% is a typical estimate and should never be interpreted as a binding figure. Pastor and congregation, with the aid of the pastor's tax professional, should develop a figure that represents a realistic amount for the Housing Allowance at the actual location of service.

A SECA allowance is calculated from Base plus Housing and added to arrive at the final Defined Compensation.

When a congregation owns a parsonage and the pastor and congregation agree that it will be occupied by the pastor, the Housing Allowance in the table above would be eliminated and replaced with a Housing Equity Allowance of 3% of the Cash Compensation per year.

### Independent Auditor's Report

To the Synod Council Evangelical Lutheran Church in America Southern Ohio Synod

We have audited the accompanying financial statements of the Southern Ohio Synod of the Evangelical Lutheran Church in America, (the "Synod") (a nonprofit organization) which comprise the statements of financial position as of January 31, 2021 and 2020, and the related statements of activities, functional expenses, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Synod as of January 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# Southern Ohio Synod of the Evangelical Lutheran Church in America Notes to the Financial Statements

January 31, 2021 and 2020

### A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Southern Ohio Synod (the "Synod") is presented to assist in understanding the Synod's financial statements. The financial statements and notes are representations of the Synod's management, who is responsible for their integrity and objectivity.

Organization Activity - The Synod is a regional religious organization located in Southern Ohio which receives contributions from approximately 183 congregations and other sources. Some of the funds received are forwarded to the Evangelical Lutheran Church in America (ELCA). The remaining funds not forwarded to the ELCA are used to support synodical ministries. Participation of the Synod in ministry through the ELCA was calculated by Synod Council at 40.00% of the net unrestricted mission support contributions received for the years ended January 31, 2021

*Tax Status* - The Synod is exempt from income taxes under applicable provisions of Section 501(c)(3) of the Internal Revenue Code. The Synod did not pay any taxes on unrelated business income during the years ended January 31, 2021 and 2020.

*Use of Estimates* - The presentation of financial statements in conformity with accounting principles generally accepted in the United States, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial Statement Presentation - The financial statements are presented in accordance with the Standards of Accounting and Financial Reporting for Certain Nonprofit Organizations issued by the American Institute of Certified Public Accountants. All accounting is on the accrual basis except mission support contributions which are recognized when received because their receipt is on a voluntary basis. The Synod has adopted the Statement of Financial Accounting Standard for Financial Statements of Not-for-Profit Organizations. Under this standard, the organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Descriptions are as follows:

**Net Assets Without Donor Restrictions** - Net assets for the general operations and not subject to donor restrictions. The Synod Council has designated, from net assets without donor restrictions, net assets for a specific use. These uses are:

*Living Christ* - Established with unrestricted proceeds from dissolved congregations to provide assistance to developing and redeveloping congregations.

Living Christ-Pleasant City - Established with unrestricted proceeds and buildings from the dissolution of St. Paul's, Pleasant City. Upon sale of the buildings, all remaining proceeds will be moved to Living Christ Fund.

**Bishop's Discretionary Fund** - Established for confidential assistance at the sole discretion of the bishop. Funded through budget and council designation of unrestricted gifts.

**Technology Improvements** - Established to provide for improvements in synod office technology. Funded through budget.

Notes to the Financial Statements January 31, 2021 and 2020

**Leasehold Improvements** - Established to provide for improvements and major repairs to synod office facilities. Funded through budget.

**Automobile Replacement** - Established to provide for replacement of synod staff automobiles. Funded through budget.

**Staff Continuing Education** - Established to provide flexibility in scheduling staff continuing education. Funded through budget.

*Thrive! Campaign (Council)* - Established for council-designated contributions to Thrive! Campaign. Initially funded from sale of Bellbrook real estate.

Sale of Office Building - Established to provide for expenses associated with relocating the synod office to a leased facility. Funded from proceeds from the sale of the synod office building.

**Synod Assembly Carryover** - Established to provide for future synod assembly expenses. Funding through unused Synod Assembly budget.

**Net Assets with Donor Restrictions** - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that the resources be maintained in perpetuity. We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. The net assets with donor restrictions includes:

**Bishop's Discretionary Fund** - Established with restricted contributions for confidential assistance at the sole discretion of bishop.

 $\it Amazing\ Grace\ Day\ Camp\$  - Established with contributions restricted for Amazing Grace Day Camp program.

Lay School of Theology - Established with restricted contributions and registration fees for costs of Lay School of Theology program.

*Girls' Scholarships ELV Diocese* - Established with endowed restricted contributions, with earnings used for girls' scholarships in the ELV Diocese.

*Undesignated Endowment* - Established with restricted contributions, with earnings used for special synod projects.

Cash and Cash Equivalents - Cash equivalents are all highly liquid investments and deposits with maturities of three months or less when originally deposited or purchased.

**Investment Fund** - The Synod carries its investments at fair value and reflects the changes in unrealized appreciation or depreciation in the Statement of Activities. The investment assets have been designated by the Synod Council as long-term.

The specific identification method is used in determining gains or losses realized from the sale of investments from the fund.

**Pledges Receivable** - Pledges receivable are primarily from individuals and businesses in the local community and are reflected at the present value of the estimated future cash flows using the applicable discount rate. Management does not believe any allowance is considered necessary for these receivables.

**Property and Equipment** - Fixed assets purchased are recorded at cost and those donated are recorded at fair market value at the date of gift. Upon disposal, the cost and accumulated depreciation are eliminated from the respective accounts and the resulting gain or loss is included in current operations. Expenditures for routine maintenance, repairs, and renewals are charged to expense as incurred, whereas betterments and improvements that extend the useful lives of the assets are capitalized. Depreciation is computed on the straight-line method using the following lives for each asset classification:

Office and computer equipment 5 - 10 years Furniture and fixtures 10 years Vehicles 4 years Administration facility 10 - 40 years

Depreciation expense was \$23,300 and \$44,678 during the years ended January 31, 2021 and 2020, respectively.

Revenue Recognition - Revenue from Contracts with Customers, Topic 606 - Revenue from Contracts with Customers supersedes the revenue recognition requirements in Topic 605, Revenue Recognition, as well as most industry-specific guidance, and provides a principles-based, comprehensive framework in Topic 606, Revenue from Contracts with Customers. This standard also specifies the accounting for certain costs to obtain or fulfill a contract with a customer and provides enhanced disclosure requirements. The Synod's revenues consist of contributions by Synod congregations and grant income. Revenues are recognized when earned. The adoption of this standard had no material impact on the financial statements.

- 16 -

Notes to the Financial Statements January 31, 2021 and 2020

**Functional Allocation of Expenses** - The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**Recently Issued Accounting Pronouncements** - From time to time, new accounting pronouncements are issued by the Financial Accounting Standards Board ("FASB") and are adopted by the Synod as of the specified effective date. Unless otherwise discussed, the Synod believes that the impact of other recently issued accounting pronouncements will not have a material impact on the balance sheets, statements of income and retained earnings, and cash flows, or do not apply to the Synod's operations.

In February 2016, the FASB issued guidance which created new accounting and reporting guidelines for leasing arrangements. The guidance requires lessees to recognize a right-of-use asset and lease liability for all leases with terms of more than 12 months. Recognition, measurement and presentation of expenses and cash flows arising from a lease will depend on classification as a finance or operating lease. The guidance also requires qualitative and quantitative disclosures regarding the amount, timing, and uncertainty of cash flows arising from leases. In June 2020, in conjunction with the global pandemic, the FASB has extended the original effective date for those entities who have not yet adopted this standard. The Synod has yet to adopt and thus would be subject to the revised adoption date of annual reporting periods and interim periods within those annual reporting periods beginning after December 15, 2021 (the Synod's 2023 fiscal year). The Synod continues to evaluate the impact of the adoption of this guidance.

**Reclassifications** - Certain reclassifications have been made to the January 31, 2020 financial statements in order to conform to the January 31, 2021 presentation. Such reclassifications have no effect on previously reported changes in net assets.

### C. CONCENTRATIONS OF CREDIT RISK

The Synod maintains its commercial deposits with a local financial institution. Commercial deposits are insured by the Federal Deposit Insurance Corporation up to \$250,000. From time to time, the cash balances on deposit may exceed the FDIC insured limits. To date, the Synod has not experienced any losses in such account and believes it is not exposed to any significant credit risk on its cash deposits.

### D. FUNDS HELD FOR OTHERS

Contributions that are designated for specific organizations or ministries not administered by the Synod are recorded as a current liability until forwarded to the proper organization or agency. The Synod's policy is to distribute the contributions on a monthly basis.

### E. PENSION AND BENEFIT PLANS

All eligible employees of the Synod are covered by various defined contribution pension and other benefit plans administered by the ELCA. The Synod's expense for these plans was \$163,303 and \$171,621 during the years ended January 31, 2021 and 2020, respectively.

### F. INVESTMENT FUND

### G. FAIR VALUE MEASUREMENTS

FASB Codification for Fair Value Measurements and Disclosures establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under this standard are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Synod has the ability to access.
- Level 2 Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

### Notes to the Financial Statements January 31, 2021 and 2020

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the net asset value ("NAV") of shares held at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Synod believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Synod's assets at fair value as of January 31, 2021 and 2020.

Long-term obligations maturing in succeeding fiscal years ending are as follows:

January 31, 2022 \$ 2,530

### DONATED SERVICES

The Synod receives donated services from a variety of unpaid volunteers. No amounts have been recognized in the accompanying statements of activities because the criterion for recognition of such volunteer effort under the standard for *Accounting for Contributions Received and Contributions Made* has not been satisfied.

### J. FARMLAND - OKLAHOMA

The Synod assumed ownership of 156 acres of farmland in the state of Oklahoma due to a church closure. The property provides net income annually to the Synod through farming. The net income received during the fiscal years ended January 31, 2021 and 2020 was \$8,430 and \$482, respectively. This property was received during the year ended January 31, 2005, and its carrying value of \$80,000 was based on sales price of similar parcels in the general area at that time.

### K. PAYCHECK PROTECTION PROGRAM GRANT

On May 8, 2020, the Synod received loan proceeds in the amount of \$153,200 under the Paycheck Protection Program ("PPP"), which was established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The PPP loan and related accrued interest can be forgiven, as long as the borrower uses the proceeds for eligible purposes. The synod filed its loan forgiveness application February 4, 2021 and received formal approval from the financial institution through which it applied and expects to receive formal approval from the Small Business Administration ("SBA"). The Synod recognized the loan proceeds when received as a conditional grant following guidance of Financial Accounting Standards Board ASC 958-605. During the current fiscal year, the Synod incurred eligible expenses and met certain personnel headcount requirements. Therefore, as of January 31, 2021, the Synod was able to recognize the proceeds received from the SBA as an unconditional grant and recorded the income on the Statement of Activities.

Notes to the Financial Statements January 31, 2021 and 2020

### L. RISKS AND UNCERTAINTIES

During March 2020, a global pandemic was declared by the World Health Organization related to the rapidly growing outbreak of a novel strain of coronavirus (COVID-19). The pandemic has significantly impacted the economic conditions in the U.S., as federal, state, and local governments reacted to the public health crisis, creating significant uncertainties in the U.S. economy. While the disruption is currently expected to be temporary, there is uncertainty around the duration. The ultimate impact of the pandemic's affect from the date of this report moving forward on the Synod's results of operations and financial position cannot be reasonably estimated at this time.

### M. OFFICE LEASE

The Synod has entered into a lease for office space in April 2020 for 125 months with monthly rent payments ranging from approximately \$3,650 to \$4,770 per month. Lease expense for 2020 totaled \$27,474. Future minimum lease payment as of January 31, 2021 are:
