Dear Friends,

Custom-created by Churches for Middle East Peace with recommendations and design by MEJDI Tours, this is an exceptional dual narrative travel experience offering unique vantage points on peace building efforts in Israel and Palestine. The immersive itinerary is a rare opportunity to interact with the people, visit places on both sides of the conflict and learn some of the many narratives of the region.

I invite you to join me on this journey of learning.

Sincerely,

Warren Clark  
Executive Director
