ANTITRUST CHECKLIST FOR TEXAS CHEMICAL COUNCIL MEETINGS

This antitrust checklist is for use by Texas Chemical Council staff and member representatives in the conduct of Texas Chemical Council sponsored meetings. Prohibited discussion topics apply equally to social gatherings incidental to Texas Chemical Council sponsored meetings. The Checklist is not exhaustive and does not address antitrust issues relating to activities other than Texas Chemical Council meetings. Participants in Texas Chemical Council meetings should be thoroughly familiar with the Texas Chemical Council Antitrust Policy. This policy may be found on the Texas Chemical Council website.

DO

Do ensure strict performance in areas of:

OVERSIGHT/SUPERVISION:

Have a Texas Chemical Council staff representative at each Texas Chemical Council sponsored meeting (unless an exception has been authorized by the appropriate Texas Chemical Council officer.);

Consult with an attorney on all antitrust questions relating to Texas Chemical Council sponsored meetings;

Limit meeting discussions to agenda topics (unless additional topics have been approved by the appropriate Texas Chemical Council staff representative); and

Provide each member company representative and Texas Chemical Council staff representative attending a Texas Chemical Council sponsored meeting with a copy of this checklist, and have a copy available for reference at all Texas Chemical Council sponsored meetings.

RECORD KEEPING:

Have an agenda and minutes which accurately reflect the matters which occur;

Provide agendas and minutes to staff committee liaison for review and approval in advance of distribution; and

Fully describe the purposes and authorities of all task groups, work groups, ad hoc or other standing committee subgroups in the minutes of the appropriate full committee.

VIGILANCE:

Protest against any discussion or meeting activities, which appear to violate this checklist; disassociate yourself from any such discussion or activities and leave any meeting in which they continue.

DO NOT

Do not, in fact or appearance, discuss or exchange information on:

PRICES, INCLUDING:

Individual company prices, price changes, price differentials, markups, discounts, allowances, credit terms, etc.;

Individual company data on costs, production, capacity, inventories, sales, etc.; and

Industry pricing policies, price levels, price changes, differentials, etc.

PRODUCTION, INCLUDING:

Plans of individual companies concerning the design, production, distribution or marketing of particular products, including proposed territories or customers; and Changes in industry production, capacity or inventories.

TRANSPORTATION RATES:

Rate or rate policies for individual shipments, including basing point systems, zone prices, freight, equalization, etc.

MARKET PROCEDURES, INCLUDING:

Company bids on contracts for particular products; company procedures for responding to bid invitations; and Matters relating to actual or potential individual suppliers or customer that might have the effect of excluding them from any market or influencing the business conduct of firms toward them.
