

POSTER PRESENTATIONS

JUNE 3-5, 2025

GALVESTON ISLAND CONVENTION CENTER

ELIGIBILITY

- To be considered, presenters must be nominated by a member of academic program faculty, have qualifications in good standing with their academic program, and possess the technical expertise necessary to present on a subject effectively.
- Students must be currently enrolled in an institution of higher learning OR have graduated within 6 months of the conference start date. Data used for the poster competition must have been collected while enrolled in school.

BENEFITS

- Networking and engage with Industry professionals who can offer valuable insights and constructive feedback.
- Meet potential mentors, collaborators and future employers who can help advance your career.
- Gain recognition for your work and establish yourself as an emerging expert in your area of study.
- Discover new opportunities and learn about internships, jobs, conference or grants from the people you meet.
- All Presenters will receive complimentary registration to the EHS Seminar & Industry Tradeshow.

CRITERIA

- All sections of the application must be complete.
- Learning objectives are clearly stated.
- Poster presentation is supported by evidence-based data from research and/or demonstrated results.
- Poster presenters have sufficient experience and knowledge of the subject matter.
- Poster presentation maintains professionalism in both poster and presentation (as outlined above).
- Poster presentation is not used to market products or services and is free from commercial bias.
- Posters are judged on organization, visual aids, responses to questions during judging.
- Ensure that your poster presents original research or findings related to environmental, health, and safety. Topics may include but are not limited to occupational safety, environmental regulations, risk assessment, emergency response, hazardous materials management, process safety management, or sustainability and/or Industrial Hygiene.

AWARDS & RECOGNITION

- Prizes will be awarded for first, second and third place.
- All accepted author poster contestants will receive a Certificate of Participation.
- All accepted author poster contestants will receive a commemorative collection pin.
- Badge ribbons to recognize participants.

THE FINE PRINT

- Poster dimensions should be: 45" wide x 42" tall.
- TCC will provide push pins and bulletin boards to fix posters to.
- Poster printing is sponsored by Pure Salt/Texas Brine and will be provided at no cost to our presenters. In order to receive this complimentary service, Poster Presenters will have to use our preferred printing provider.
- Submissions will open on February 17 and will close on May 2. Submission form can be accessed on our website. All presentations will be vetted in advance to ensure criteria is being met.
- For questions, contact Paula Lerash at 512.646.6404; lerash@texaschemistry.org.
