

Professional Women in Pest Management

✿ Benefits of Involvement

Professional Networking & Support

Build valuable connections with fellow women in the pest management industry. PWIPM provides a supportive community where members can share insights, learn from each other, and access mentorship opportunities.

Confidence & Leadership Growth

Engage in discussions and activities that foster confidence and leadership skills. Through networking events, industry discussions, and shared experiences, members gain the support needed to advance in their careers.

A Safe Space for Challenges & Successes

PWIPM creates a welcoming environment where women can openly discuss workplace challenges and celebrate their successes. This community fosters collaboration, problem-solving, and empowerment in a male-dominated industry.

✿ Upcoming Events

April 18

Free

Virtual Meeting

Explore opportunities for women in pest management, including grants, networking, and career growth. This virtual session connects industry professionals to share resources, insights, and support for success.

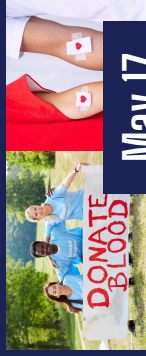

Apr 26

\$45

PWIPM at the Park

Subject: Partnership Opportunity with Professional Women in Pest Management

We are reaching out on behalf of Professional Women in Pest Management (PWIPM) to invite your esteemed business to support the growth, education, and leadership of women in the pest control industry. Our organization fosters a supportive network where women can share knowledge, collaborate, and mentor one another to drive success and innovation.

By partnering with PWIPM, your business can play a key role in promoting diversity and professional development within the pest management industry. We offer mentorship programs, industry education initiatives, leadership development, and networking events that benefit both organizations and employees. Additionally, we encourage you to allow your female employees, at any level, to participate in our regular Zoom meetings. These meetings provide valuable insights, networking opportunities, and professional growth experiences to enhance their careers in the industry.

We would love for you and your female employees to join an upcoming Zoom meeting and experience firsthand the benefits of PWIPM. To receive notifications about upcoming meetings, select PWIPM as an interest in your WSPMA member portal or reach out to me directly for assistance. All PWIPM event communications and updates will be sent through our association management software to ensure accurate tracking of participation.

Thank you for your time and consideration—we look forward to connecting with you soon.
